

CLIMATE CHANGE

Year Six – Spring 1 2026

In Maths, we will be exploring and decimals, percentages and geometry.

In English, we will be focusing on using our Stage 6 Features to write diaries, letters, journals and biographies.

In Geography, we will be investigating the issue of climate change exploring its impact across a range of biomes and human and environmental impact.

In Science, we will be learning about the main parts of the human circulatory system, digestive system and will learn the impact drugs and alcohol have upon the body.

In music we will be composing a piece of music based on the theme Spring

In DT, we will be designing and creating healthy meals linked to the Science and English.

In MFL, we will be continuing our learning of Spanish with Miss Cunning.

In RE, we will be exploring the question, 'How can religions reduce racism'

In Computing, we will be exploring website and webpage designing and use HTML to compose own websites.

In PE, we will be composing gymnastic routines with a range of motives and movements. In invasion games we will be focusing on attacking and defending skills in Netball

In PSHRE, we will begin to explore Healthy Lifestyles looking at how to keep ourselves both physically and mentally healthy and the importance of a healthy diet.
