

Year 5 Topic Web Spring 2: North America

In geography we will be studying the topic of North America, and answering the question 'What is the Sunshine State really like?' focusing on human geography and the impact of tourism on the area.

In writing, we will be writing a formal biography about the life of Canadian astronaut and engineer, Chris Hadfield.

In maths, we will be learning about fractions and solving problems involving fractions, including dividing and multiplying fractions by whole numbers.

In computing, we will be learning how to create a database around a topic chosen by the class.

In PE, we will be continuing to develop our football skills.

In PSHRE, we will focus on the changes we will go through as we are growing up.

In MFL, We will be learning names of fruits, vegetables and how we could buy and sell them. We will also be learning how to follow a simple recipe in Spanish.

In science, we will be learning all about Earth and Space!

In DT, we will be planning, designing and making a model of the Mars Rover, encompassing our science and woodwork skills to create a battery operated chassis that can maneuver over different terrains.

In RE, we will be exploring the question of 'What does it mean to be a Muslim in Britain today?'
