

Communication and Language (CL)

In CL, we will be focusing on children's understanding of fiction and non-fiction texts. We will encourage children to think about where we can find facts and information.

Physical Development (PD)

In PD, we will be focusing on holding our pencil to form letters correctly. Outside we will look at encouraging the children to complete obstacle courses.

Personal Social and Emotional Development (PSE)

In PSE, we will be focusing on encouraging the children to talk about how they are feeling and understanding that their behaviour can have an impact on the other children.

Reception Summer 1 Topic Web

More Animals

Expressive Arts and Design (EAD)

In EAD, we will be focusing on encouraging children to represent their own ideas through the use of music, dance, design and technology, role-play and stories.

Maths

In Maths we are exploring and comparing capacity and mass. Children will build upon their ability to subitise arrangements of 6. They will also develop their understanding of number bonds and explore the composition of 10.

Literacy

In Literacy, we will be focusing on Our Pathways to Write text, 'Gigantosaurus'. We will be looking at using our Phonics to help us write captions and sentences.

Understanding the World (UW)

In UW, we will be focusing on exploring the natural world around us and making observations and drawing pictures of animals. We will explore past through settings, characters and events encountered in books read in class and storytelling.
