

## Year 4

What did the Vikings want and how did Alfred help to stop them getting it?

### Science

Pupils will continue to find out about electricity by creating and adapting circuits. They will learn how to use electrical appliances safely and create their own electrical systems for a specific function.

### ICT

In ICT, we will be using software to compose music and to build procedures using 2Logo.

### PE

In PE, we will be training for different athletic disciplines and improving our teamwork skills.

### RE

In RE, we will be finding out about the beliefs and practises of Hindus in Britain.

### PSHRE

In PSHRE, we will be learning about human rights and how to look after our money.

### Maths

In Maths, we will begin to investigate Area, Perimeter and Geometry.

### History

In History, we will be using primary and secondary sources to learn about the Viking raids in Britain and how they altered the British Isles.

### Design Technology

In DT, we will be improving our food preparation skills by preparing and making healthy food.

### Music

In Music, we will be learning about rhythm, pulse, tempo, pitch and texture whilst playing and creating our own compositions.

### English

In English, we will be using the book Blue John to write an information text explaining cave formation.
