FAIRTRADE

Year Six - Autumn 2 2026

In English, we will be focusing on using our Stage 6 Features to write information texts and persuasive letters.

In Art, we will be studying Picasso and the Cubism movement through the medium of painting.

In Science, we will be learning all about electricity, focusing on circuit diagrams, the impact of voltage on components, and how circuits work.

In PE, we will be taking part in Lacrosse and Dance.

In Geography, we will be investigating the issue of trade at a range of scales – from the personal to the global context using Marco Polo's travels along the Silk Road.

In PSHRE, we develop our understanding about thoughts and emotions, both positive and negative.

In Maths, we will be continuing with four operations on whole numbers before moving onto fractions.

In RE, we will be looking at what difference does it make to believe in ahimsa (harmlessness), grace, and/or Ummah (community)?

In Music, we will be taking part in a class pantomime.

In MFL, we will be continuing our learning of Spanish
