Building works notice

Friday 27 June 2025

Dear Parents and Carers,

I am sorry to inform you that we have to have some repair work carried out on our roof. This is the Slade Grove and main playground block roof - above the Year 5 and Year 6 classrooms. Unfortunately, during the previous building works there has been some damage to the roof which needs attention as soon as possible.

The building work will mean we have to make some changes as the main playground, main gates and access areas will be closed off, as there will be a lot of scaffolding and works taking place from **Monday 30th June until 31st August** from what I have been told by the builders.

Please make sure you read and note the following:

Period of works:

Monday 30 June until 31 August 2025 - 9 weeks hopefully!

Monday 30 June for 3 weeks - scaffolding will be put up

The scaffolding will go all around the school building block from Slade Grove, our MUGA pitch, the main playground and office entrance

Early Start breakfast club - no change. Come as usual through the office at 8:00am

Contacting the Office - everyone needs to be mindful of how busy the office will be, especially at drop off and pick up times. Our office staff WILL get to you but we need your patience and understanding.

After school clubs - all clubs will be cancelled until the end of the term

Traffic

Your children's safety is most important. Careless and selfish driving causes a lot of issues. Please be aware that there will be a lot of builder's cars and lorries parked, scaffolding works and much more traffic.

PLEASE TAKE NOTE:

DO NOT park near the school.

DO NOT drop your children off in the middle of the road.

I have requested the traffic wardens to help us out as this is a big problem in our school and I do not want any accidents, fights or abusive behaviour around the school.

If you have any questions or concerns please contact the office.

Thank you for your support and cooperation.

Mr Uddin
