"You have the right to an education. Primary education should be free... Discipline in schools should respect children's human dignity." Article 28 (Right to education)

Our motto calls us to **'Love To Learn, Learn To Do Well, And Live Well Together'**—and that all starts with being here - coming together regularly allows us to encourage each other and grow as a community. Good attendance isn't just about missing lessons; it's about making sure no one misses out on living and learning well together.

1.0 Introduction

1.1 Regular school attendance is essential if children are to achieve their full potential.

1.2 St Agnes CE Primary School (referred to as St Agnes in this document) believe that regular school attendance is the key to enabling children to maximise the educational opportunities available to them and become emotionally resilient, confident and competent adults who can realise their full potential and make a positive contribution to their community.

1.3 St Agnes values all pupils. As set out in this policy, we will build strong relationships with families to ensure pupils have the support in place to attend school and identify the reasons for poor attendance.

1.4 St Agnes recognises that attendance is a matter for the whole school community. Our Attendance Policy should not be viewed in isolation; it is a strand that runs through all aspects of school improvement, supported by our policies on admissions, safeguarding, anti-bullying, child protection, safeguarding and behaviour and inclusive learning. This policy considers the Human Rights Act 1998, the Disability Discrimination Act 1995 and the Race Relations Act 2000.

1.5.1 This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the Department for Education's (DfE's) statutory guidance on [Working Together To Improve School Attendance](#), through our whole-school culture and ethos that values good attendance, including:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2.0 Legal Framework

2.1 This policy is based on the Department for Education's (DfE's) statutory guidance 'Working together to improve school attendance and school attendance parental responsibility measures.

The guidance is based on the following legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the Education Act 1996
- Part 3 of the Education Act 2002
- Part 7 of the Education and Inspections Act 2006
- The Education (Pupil Registration) (England) Regulations 2006 (and 2010, 2011, 2013, and 2016 amendments)
- The Education (Penalty Notices) (England) (Amendment) Regulations 2013

It also refers to:

- School Census Guidance
- Keeping Children Safe in Education
- Mental health issues affecting a pupil's attendance: guidance for schools

3.0 Safeguarding

3.1 Every pupil should be able to learn in an enjoyable and safe environment and be protected from harm. We respect and value all children and are committed to providing a caring, friendly and safe environment for all our pupils so they can learn and participate in all school activities in a relaxed and secure atmosphere.

3.2 Attending school regularly promotes the welfare and safety of children whilst they are not in the care of their parents/carers. Safeguarding is about offering early help and support to children and families and difficulties with attendance and lateness may be signs that something is worrying the child or that there are difficulties within the family. Poor or irregular attendance, persistent lateness, or children missing from education may be considered a safeguarding matter if this places a child at risk of harm.

3.3 Safeguarding the interests of each child is everyone's responsibility and within the context of this school; safeguarding and promoting the welfare and life opportunities for children encompasses: Attendance, Behaviour support, Health and Safety, access to the Curriculum and Anti- bullying, protecting children from abuse and neglect, online safety, radicalisation and extremism, FGM and CSE.

3.4 More information on safeguarding and the protection of children can be found in our Safeguarding and Child Protection Policy.

3.5 In order to allow us to safeguard the children in our care it is important that parents and carers provide the school with their current contact details and provide at least three other contact numbers in case of emergency.

3.6 At least annually, we will actively request that parents and carers check and confirm the contact details we have on record so that children can be supported to attend school and that we hold current contact details.

3.7 It is also important for parents to inform the school of any specific vulnerability in relation to their child or home circumstances. This includes notifying the school if home circumstances change, including the use of private fostering arrangement so that there is clarity of responsibilities to ensure school support and to prioritise school attendance.

4.0 Categorising Absence

4.1 Where pupils are recorded as absent, the register must show whether the absence is authorised or unauthorised.

4.2 Absence can only be authorised by the headteacher and cannot be authorised by parents. All absences will be treated as unauthorised unless a satisfactory explanation for the pupil's absence has been received.

4.3 Parents must advise the school by telephone or online reporting system (School Spider) on the first day of absence and provide the school with an expected date of return. This should be followed up in the form of a written note from the parent/carers, though verbal explanations may be acceptable where this is considered appropriate.

4.4 Absence will be categorised as follows:

4.4.1 **Illness** Parents may be asked to provide medical evidence to allow the head teacher to authorise absence where appropriate. This will usually be in the form of an appointment card, prescription etc.

4.4.2 Medical/Dental Appointments Parents are advised where possible to make medical and dental appointments outside of the school day. Where this is not possible, pupils must attend school for part of the day. Parents must show the appointment card to school.

4.4.3 Other Authorised Circumstances This relates to where there is cause for absence due to exceptional circumstances.

4.4.4 Suspended or Excluded (No alternative provision made) Exclusion from attending school is counted as an authorised absence. The child's class teacher/form tutor/Head of Year will make arrangements for work to be sent home.

4.4.5 Religious Observance St Agnes acknowledges the multi-faith nature of British society and recognises that on some occasions, religious festivals may fall outside school holiday periods or weekends and this necessitates a consideration by written request by the parent of authorised absence.

4.4.6 Study Leave Study leave may be granted for Year 11 pupils approaching GCSE examinations. St Agnes will offer in school study programmes during this period to reduce absence levels.

4.4.7 Traveller Absence It is expected that Traveller children, in common with all other children, are to attend school as regularly and as frequently as possible (*see Appendix 2*)

4.4.8 Late Arrival Registration begins at 8.55am* pupils arriving after this time will be marked as present but arriving late. The register will close at 9.10am* (no more than thirty minutes after the opening of the register) pupils arriving after the close of register will be recorded as late, (code U) this is not authorised and will count as an absence for that school session and statutory action may be taken where appropriate.

On arrival after the close of register, pupils must immediately report to the school office to ensure that we can be responsible for their health and safety whilst they are in school.

The absence will only be authorised if a satisfactory explanation for the late arrival can be provided, for example, attendance at a medical appointment.

The absence will be recorded as unauthorised if the pupil has arrived late without justifiable cause.

4.4.9 Unauthorised absence - Absence will not be authorised unless parents have provided a satisfactory explanation and that it has been accepted as such by the head teacher.

4.4.10 A full list of the Department for Education (DfE) Registration Codes can be found in Appendix 1.

4.5 All requests for leave of absence in term, including holidays, will be responded to in writing.

4.5.1 If a pupil fails to return from a leave of absence and contact with the parents has not been made or received, school may take the pupil off the school's roll in compliance with the Education (Pupil Registration) (England) Regulations 2013. This means that the child will lose their school place.

4.5.2 If the permission to take leave is not granted and the parent takes their child out of school the absence will be unauthorised. In such cases the school may request the local authority issue a Penalty Notice or consider other legal sanctions including prosecution in the magistrate's court. This will follow the Manchester Statutory Action Escalation Pathway.

6.0 **Attendance Data**

6.1 **Use of Attendance Data**

The school will:

- Monitor attendance and absence data half-termly, termly, and yearly across the school and at an individual pupil level.

- Identify whether there are groups of children whose absences may be a cause for concern or cohorts of pupils where attendance is affecting their achievement/outcomes.

Pupil-level absence data will be collected each term and published at national and Local Authority level through the DfE's school absence national statistics releases and the View Your Education Data (VYED) system.

The underlying school-level absence data is published alongside the national statistics. The school will compare attendance data to the national average and share this with the Governing Board.

6.2 Analysing attendance data

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence, and their families

6.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses **10%** or more of school, and severe absence is where a pupil misses **50%** or more of school.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence

- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable, or are persistently or severely absent, to discuss attendance and engagement at school
- Provide access to wider support services to remove the barriers to attendance
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Send letters to highlight concerns to parents and carers
- Conduct home visits with or without prior notice. Visits will always be carried out by two members of staff
- Set up additional parent/carers agreements to work towards improving attendance

7.0 Support Systems

7.1 St Agnes recognises that poor attendance is often an indication of difficulties in a child's life. This may be related to problems at home and/or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and/or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required. It is expected that the child and their family work collaboratively with school to identify the Emotional Barriers to School Attendance (EBSA) resources most appropriate for support and to accept the support that is offered or advised

7.2 St Agnes also recognises that some pupils are more likely to require additional support to attain good attendance, for example, those pupils with special educational needs, those with physical or mental health needs, migrant and refugee pupils and children with a social worker

7.3 We will implement a range of strategies to support improved attendance for all pupils. Strategies used will include the following as well as our **Attendance Distributed Leadership Model (Appendix 3)**:

- Celebrating excellent and improved attendance in assemblies or on displays
- Celebrate attendance with individual notes/certificates
- Whole class attendance rewards
- Use Manchester's Graduated Approach to Attendance and our Attendance Distributed Leadership Model/escalation of attendance approach
 - ❖ letter/phonecall to alert and raise concern with parent/carers
 - ❖ liaising/meeting with teacher then
 - ❖ meet with attendance lead then
 - ❖ meet with SLT - either DHT or phase lead and finally
 - ❖ meet with HT
- Parenting contracts
- Attendance report cards
- Referrals to support agencies such as early help or Thrive Hubs

- Pupil Voice Activities
- Anxiety-based School Avoidance support pathway
- Trauma-informed approaches
- Time limited part time time-tables
- Inclusion Strategy Toolkit
- Reintegration support packages

7.4 If a pupil has an Education, Health & Care plan, St Agnes will communicate with Manchester City Council EHCP Team at an early stage once they become aware of barriers to attendance that relate to the child's needs.

7.5 **Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs**, St Agnes may consider the use of legal sanctions following Manchester City Council's Code of Conduct.

8.0 Legal Sanctions

8.1 St Agnes will make use of the full range of potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis

Penalty notices

8.2 Manchester City Council, upon a request from school, can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

8.3 Before requesting a legal sanction, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks). These sessions can be consecutive or sporadic and the period of 10 weeks can also span different terms or school years.
- Whether the school believes that a parent is deliberately attempting to avoid triggering the national attendance threshold. This could include situations where a parent takes a term-time holiday during fragmented weeks, such as those following bank holidays or inset days.
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether appropriate support has been put in place
- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

8.4 Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

- 8.5 The payment must be made directly to the local authority. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.
- 8.6 If issued with a first penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days
- 8.7 If a second penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days
- 8.8 **A third penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice.** In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

Notice to Improve

- 8.9 If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, a **Notice to Improve** letter may be issued in line with processes set out in by Manchester City Council's Code of Conduct. This will include a clear warning that a penalty notice may be issued if attendance doesn't improve within the monitoring period which will be up to 6 weeks. Sufficient improvement will be decided on a case-by-case basis.

Appendix 2: Traveller Family Absence

To protect Traveller parents from unreasonable prosecution for non-attendance, the Education Act 1996, section 444(6), states that a Traveller parent is safe from prosecution if their child accrues two hundred attendances (i.e. 200 half days) in the year preceding the absence. This applies only when the family proves it is engaged in a trade or business that requires it to travel and when the child is attending school as regularly as that trade permits.

When in or around Manchester, if a family can reasonably travel back to their Base School (see below) then the expectation is that their child will attend full-time.

St Agnes will be regarded as the base school if it is the school where the child normally attends when they are not travelling. However, the pupil must have attended in the last 18 months. Traveller children can register at other schools temporarily while away from their base school, in such cases, the pupil's school place at xxx will be kept open for them whilst travelling. This is to protect them from unfairly losing their place at their school of usual attendance.

St Agnes can only effectively operate as the child's base school if it is engaged in on-going dialogue with Traveller families. This means that parents must:

advise of their forthcoming travelling patterns before they happen; and

inform the school regarding proposed return dates

St Agnes will authorise absence of Traveller children if we are satisfied that a family is travelling for work or trade purposes and has given indication that they intend to return.

Traveller children will be recorded as attending an approved educational activity when:

The child is on roll and attending another visited school

Undertaking supervised educational activity under the jurisdiction of another Local Authority's Traveller Education Service

The child is undertaking computer-based distance learning that is time evidenced

Where Traveller children are registered pupils at a school and are known to be present either at a site (official or otherwise) or in a house and are not attending school, the absence will be investigated in the same way as that for any pupil and appropriate statutory action may be undertaken.

Appendix 3 – Attendance Distributed Leadership Model

The following is an example of ‘escalation of attendance Intervention’ based on agreed percentages and sessions missed. This can be adapted to include key strategies deployed by the school to support raising attendance and reducing overall persistent absence. This is not a definitive list but provides examples of ‘escalation’ linked to each attendance band.

The interventions can be adapted/modified to reflect bespoke intervention for targeted groups or vulnerable cohorts.

Please note a finalised version should be shared with parent/carers and pupils in a format which is accessible to all stakeholders to show the escalation of intervention. Roles and responsibilities can be added to support a distributed leadership model for attendance.

BLUE

Pupils with attendance between 100% to 97%

- Parents will receive a message home congratulating them on their child’s good/excellent attendance. This will include the most improved attendance for pupils in a term.
- Pupils will be rewarded within the school’s award systems in recognition of good/excellent attendance.
- Pupils with this level of termly and annual attendance will receive an acknowledgement of achievement i.e. stickers, certificates, meeting with the Headteacher.
- End of term and annual attendance extravaganza for achievers.

GREEN

Pupils with attendance between 96% and 94%

Class teacher will speak to the pupil (KS2) and/or guardian (EYFS/KS1) to:

- Confirm with the pupil the reason for absence and offer any support that may be required.
- Update the pupil on other work they have missed and support any catch up required.
- Set an individual attendance target for the pupil to support improving their attendance
- Agree a review date
- In addition, where unauthorised absence has occurred or attendance has not improved following the review with the pupil, a letter will be sent to parents advising of concern and outlining the parents’ responsibilities

Where improvement has not occurred following this intervention, parents will be invited to a meeting where the possible outcomes will be:

- All parties confident that issues have been resolved and the attendance will improve.
- Does the family need support through an Early Help Assessment?
- Is a referral needed or additional mentoring to support pupil?

AMBER

Pupils with attendance between 91% and 93%

Attendance Team and teacher will meet with parent/guardian to::

- Identify underlying in school barriers that may be causing the pupil's absence
- Identify underlying any out of school barriers that may be causing the pupil's absence and consider appropriate support such as early help, Manchester Thrive Hubs etc.
- Review the pupil's academic progress (Parent Consultation) and make links to the pupil's attendance

In addition, where unauthorised absence has occurred or attendance has not improved following the review with the pupil, a letter will be sent to parent/carer advising of concern and possible future statutory action.

If improvement has not occurred following this intervention, parents will be invited to a meeting where the possible outcomes will be:

- All parties confident that issues have been resolved and the attendance will improve.
- Parenting contract agreed
- Agree a review date
- Where parents fail to attend the meeting without a satisfactory reason and unauthorised absence has occurred, the penalty notice monitoring period will automatically commence.

Where these interventions have already been implemented and have had unsatisfactory impact, the parent will be invited to an Attendance Panel where the possible outcomes will be:

- Offer support through an Early Help Assessment (EHA) with the school acting as lead professional
- Where a parent fails to attend the meeting without providing a satisfactory reason, a minimum of two home visits with the purpose to engage with the parent will be carried out prior to referral to the Local Authority
- Consider who will be responsible for all action and outcomes and monitoring of attendance post meeting/panel etc.

RED

Pupils with attendance below 90%

Pupils who have attendance below **90%** are **persistently absent** and pupils below **50%** are considered **severely absent** from school.

To ensure that intervention is focused and meets the needs of individuals, pupils may be grouped into any of the following categories to ensure they receive personalized support to meet need and address reasons for absence:

- Looked After Children and Children on the Child Protection Register
- Special Educational Needs
- Parental support/needs e.g. parental drug use, young carers, domestic violence
- School issues e.g. bullying, poor teacher/pupil relationship, curriculum issues
- English as an Additional Language
- Mid-Year Admissions
- Other

The Attendance Team will:

- Obtain records of previous contact and interventions as set out in RED - AMBER and escalate accordingly
- Ensure weekly contact with the parents to discuss any arising issues and to provide feedback on their child's attendance, behaviour and academic progress.
- Review existing plans and co-ordinate school resources to support the pupil's attendance and any additional needs
- Be the key contact person for any external agency working with the pupil
- Input into whole school strategies to address the needs of pupils within their group
- Each identified member of staff will be responsible for all action at this level and will record all intervention and outcomes. Records will be copied to a member of the Senior Leadership Team and headteacher every three weeks.
- Multi-agency meeting to address concerns
- Where appropriate statutory action
- Attendance will be a standing item on the agenda of the Senior Leadership Team meetings where the progress of these groups will be reported and the effectiveness of interventions measured. This will be used to review and inform intervention.

The headteacher/principal will report termly to the Governing Body on the percentage PA and SA.
