1. Introduction and aims

At St Agnes CE Primary School, our policy aims to:

- Ensure our environment is mobile phone-free by default
- Ensure the safe, responsible and lawful use of mobile phones, where applicable
- Provide clear guidelines for the use of mobile phones for pupils, staff, parents/carers, visitors and volunteers
- Support the school's other policies, especially those related to child protection and behaviour

This policy also aims to address some of the challenges posed by mobile phones in school, such as:

- Risks to child protection
- Data protection issues
- Risk of theft, loss or damage
- Appropriate use of technology for learning purposes

***Note:** For the purposes of this policy, 'mobile phones' includes all wearable smart technology with recording, photography, or communication capabilities, including smart glasses and smart watches. The use of smart glasses to photograph, record, or stream audio/video on school grounds or during school trips is strictly forbidden.

2. Relevant guidance

This policy meets the requirements of section 36 of the [Children's Wellbeing and Schools Act 2026](#), and the Department for Education (DfE)'s [mobile phone guidance](#) and [behaviour guidance](#). Further guidance that should be considered alongside this policy includes [Keeping Children Safe in Education](#), which sets out the expectation that all schools should be mobile phone-free environments by default.

3. Roles and responsibilities

3.1 Staff

All staff (including teachers, support staff and supply staff) are required to actively enforce this policy and challenge any breach of mobile phone restrictions immediately and consistently.

Volunteers, or anyone else otherwise engaged by the school, must alert a member of staff if they witness, or are aware of, a breach of this policy.

The Designated Safeguarding Lead is responsible for monitoring the policy and reviewing it every two years, and holding staff and pupils accountable for its implementation.

Staff will address any questions or concerns from parents/carers quickly, and clearly communicate the reasons for prohibiting the use of mobile phones.

4. Use of mobile phones by staff

4.1 Personal mobile phones

Staff (including volunteers, contractors and anyone else otherwise engaged by the school) are not permitted to use their personal mobile phone during the school day, (whilst students are present/ during contact time). Use of personal mobile phones must be restricted to non-contact time, and to areas of the school where pupils are not present (such as the staffroom).

There may be circumstances in which it's appropriate for a member of staff to have use of their phone during contact time, for personal reasons. For instance (this list is non-exhaustive):

- For emergency contact by their child, or their child's school
- In the case of acutely ill dependents or family members

The headteacher will decide on a case-by-basis whether to allow for special arrangements.

If special arrangements are not deemed necessary, school staff can use the school office number as a point of emergency contact.

For operational matters, SLT are permitted to use mobile devices to ensure the smooth running of the school.

4.2 Data protection

Staff must not use their personal mobile phones to process personal data, or any other confidential school information, including entering such data into generative artificial intelligence (AI) tools such as chatbots (e.g. ChatGPT and Google Gemini).

4.3 Safeguarding

Staff must not give their personal contact details to parents/carers or pupils, including by connecting through social media and messaging apps.

Staff must avoid publicising their contact details on any social media platform or website, to avoid unwanted contact by parents/carers or pupils.

Staff must not use their personal mobile phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil. If it's necessary to take photos or recordings as part of a lesson / school trip / activity, this must be done using school equipment.

4.4 Using personal mobiles for work purposes

In some circumstances, it may be appropriate for staff to use personal mobile phones or a similar device during the school day in front of pupils for work. Such circumstances may include, but are not limited to:

- Use of multi-factor authentication
- Emergency evacuations
- Supervising off-site trips
- Supervising residential visits

In these circumstances, staff will:

- Use their mobile phones in an appropriate and professional manner, in line with our staff code of conduct

- Not use their phones to take photographs or recordings of pupils, their work, or anything else that could identify a pupil
- Refrain from using their phones to contact parents/carers. If necessary, contact must be made via the school office

4.6 Sanctions

Staff that fail to adhere to this policy may face disciplinary action.

See the school's staff disciplinary policy for more information.

5. Use of mobile phones by pupils

Pupils must not use their mobile phones during the school day, including during lessons, in the time between lessons, at breaktimes and at lunchtimes, unless explicitly authorised by a member of staff.

Pupils will be taught the risks that are associated with the use of mobile phones, both in school and more broadly, to make sure they understand the decision to prohibit the use of mobile phones throughout the school day. These risks can include a loss of focus in lessons, classroom disruption and an increase in bullying. Pupils will be encouraged to see a mobile-phone free environment as desirable and valuable.

5.1 Use of smartwatches and other smart devices by pupils

The DfE's statutory [mobile phones guidance](#) includes in the term 'mobile phones' all devices with communications and smart technology that the school chooses to include in its policy.

Smartwatches are wristwatches with smart technology in them. They can be used to tell the time, send and receive text and voice messages, make calls and listen to music. Some smartwatches have wellness and health-related features.

Smartwatches and smart glasses are not permitted to be worn by pupils at St Agnes due to the safeguarding risks imposed.

5.3 Sanctions

There is a zero tolerance attitude to pupils bringing mobile phones and similar devices into school. If a pupil is found to have one, it will be confiscated by the Headteacher (according to the [DfE's Guidance on Mobile Phones in Schools](#)) and stored in our school office. It will then need to be collected by a parent. In each case,

the sanction given to the child given must be reasonable and proportionate. The school will also consider whether:

- There are any relevant special circumstances (for example, age, religious requirements, special educational needs (SEN), disability)
- The pupil's behaviour may indicate they may be suffering, or at risk of, harm. If this is suspected, staff will follow the appropriate procedure set out in [Keeping Children Safe in Education](#). This will include speaking with the designated safeguarding lead (DSL) or deputy, who will consider whether pastoral support, an early intervention, or a referral to children's social care is appropriate

The Headteacher will decide (as set out in [DfE's Guidance on Searching, Screening and Confiscation](#)) if it is appropriate to search a pupil's phone based on there being good reason to do so (such as having reason to believe the phone contains pornographic images, or if it is being/ has been used to commit an offence or cause harm to another person).

6. Use of mobile phones and smart devices by parents/carers, volunteers and visitors*

At St Agnes, our school grounds are a 'Mobile Free Zone' for all parents, this includes anywhere on the school premises including the playground.

Parents and carers are encouraged to reinforce and discuss this policy at home as appropriate, including the risks associated with mobile phone use and the benefits of a mobile phone-free environment.

Parents/carers, visitors and volunteers (including governors and contractors) must adhere to this policy as it relates to staff if they are on the school site during the school day.

This means:

- Not taking pictures or recordings of pupils, unless it's at a public event (such as a school fair), or of their own child
- Using any photographs or recordings for personal use only, and not posting on social media without consent
- Not using phones in lessons, when working with pupils or while children are present

Parents/carers, visitors and volunteers will be informed of the rules for mobile phone use when they sign in at reception or attend a public event at school.

Parents/carers or volunteers supervising school trips or residential visits must not:

- Use their phone to make contact with other parents/carers
- Take photos or recordings of pupils, their work, or anything else that could identify a pupil

Parents/carers or volunteers supervising trips are also responsible for enforcing the school's policy for pupils using their phones, but must refer any proposed sanctions to a member of staff, as they do not have the power to search or confiscate devices.

Parents/carers must use the school office as the first point of contact if they need to get in touch with their child during the school day.
