

EXPLORER

Spring Term 1

Literacy

We are going to become familiar with the model text *The Very Hungry Caterpillar* by Eric Carle. We are going to look at sentence structure and letter formation. We will imitate and innovate parts of the story.

Physical Development

This half term our focus shifts to ball skills. Focusing on throwing and catching. Throwing underarm with increasing accuracy.

Maths

We are looking at number. Focusing on one-one correspondence, understanding the language more and less. With older explorers using symbols to represent more and less..

Scientific Discovery

We will be looking at sinking and floating this half term. Making predictions as we test items.

Design Technology

We are going to plan and build a plate for our very hungry Caterpillar. We will work on this and try out different ideas expressing likes and dislikes..

Art

We will be being inspired by Henri Matisse as we create our own brightly coloured caterpillar collage.
