

Home Learning Challenges for Summer 1 2026

Please choose **one** activity to complete each week. Write the activity number above your work then hand it in on Wednesday each week to share with your teacher. Work must be of a good standard and presented neatly to earn each activity.

Activity 1	Activity 2	Activity 3
Choose an additional book to read for pleasure from home or a library to read this week. Tell me what the book was and if you enjoyed it.	Write your own story based on our new book Journey. You should write in paragraphs.	Learn a new skill. This could be riding a bike, tying shoe laces, baking cookies, sewing etc. Get your grown up to take a photo/video of you doing it.
Activity 4		Activity 5
Get to know all UK coins - 1p, 2p, 5p, 10p, 20p, 50p, £1 and £2. You should be able to make amounts with them. Show me 2 different ways you can make £4 and 2 ways you can make 75p		Mindfulness week. This week do a mindfulness activity each day. This could be listening to music, meditating, a walk outside, colouring or any other relaxing activity of your choice.
Activity 6		Activity 7
Learn to tell the time to o'clock and half past on an analogue (with hands) clock. You could make a poster to explain how you know what the time is.		Learn to tell the time to quarter to and quarter past on an analogue (with hands) clock. You could make a poster to explain how you know what the time is.
Activity 8	Activity 9	Activity 10
Learn to count or say hello in another language. Make a poster to teacher other children learn it too!	Go on a nature walk and take pictures or write down what different plants you see. You could even do a quick sketch of them.	Get your family involved in this one and set up your own mini sports day. You could do a skipping race or egg and spoon race maybe. Send in lots of pictures on Dojo. We hope you enjoy this one!
