

Home Learning Challenges for Autumn Term 1 2026

Please choose **one** activity to complete each week. Write the activity number above your work then hand it in on Wednesday each week to share with your teacher.

Activity 1 Choose an additional book to read for pleasure from home or a library to read this week. Tell me what the book was and if you enjoyed it.	Activity 2 Draw or print out a skeleton and label at least 5 of the bones including skull, spine, pelvis, leg and arm.	Activity 3 Help your adults to prepare a snack/meal. Can you tell me where the ingredients for the recipe are from? i.e. strawberries grow in England. Print or send in a picture of your meal/snack on Dojo.
Activity 4 Make a poster about a coastal area. To find information for this you could carry out research online/ visit a coastal area and take photos/ interview a family member about a coastal area they have been to.	 The logo is circular with a blue border. Inside, there is a grey cross. In the top-left quadrant of the cross is a yellow cornucopia. In the top-right quadrant is a yellow crown. In the bottom-left quadrant is a black and white stork. In the bottom-right quadrant is a yellow bell. The text 'Sankey Valley St James' is written in a purple, curved font along the top inner edge, and 'CE Primary School' is written in a purple, curved font along the bottom inner edge.	Activity 5 Mindfulness week. This week do a mindfulness activity each day. This could be listening to music, meditating, a walk outside, colouring or any other relaxing activity of your choice.
Activity 6 Learn your 3x tables in order from 1x3 to 12x3. You may want to find a song online to help you or write them out. Be prepared to say them to me in order if you have ticked this activity!		Activity 7 Research into the Windrush Generation. Can you write down 6 facts about it as this links with our English text this half term.
Activity 8 Write a recount of a journey that you have been on. This could be a day trip/ a holiday etc.	Activity 9 Choose one of the oceans. Can you make a fact file about it?	Activity 10 Make a model of the seaside.
