Picture News

Each week the children look at Picture News in class assemblies to discuss current affairs, things in the news. I thought it would be lovely to share the last few weeks of news. Each has a question they ask and discuss.

This was about a Former paratrooper Karl Bushby from Hull who has been walking across the world for 28 years!

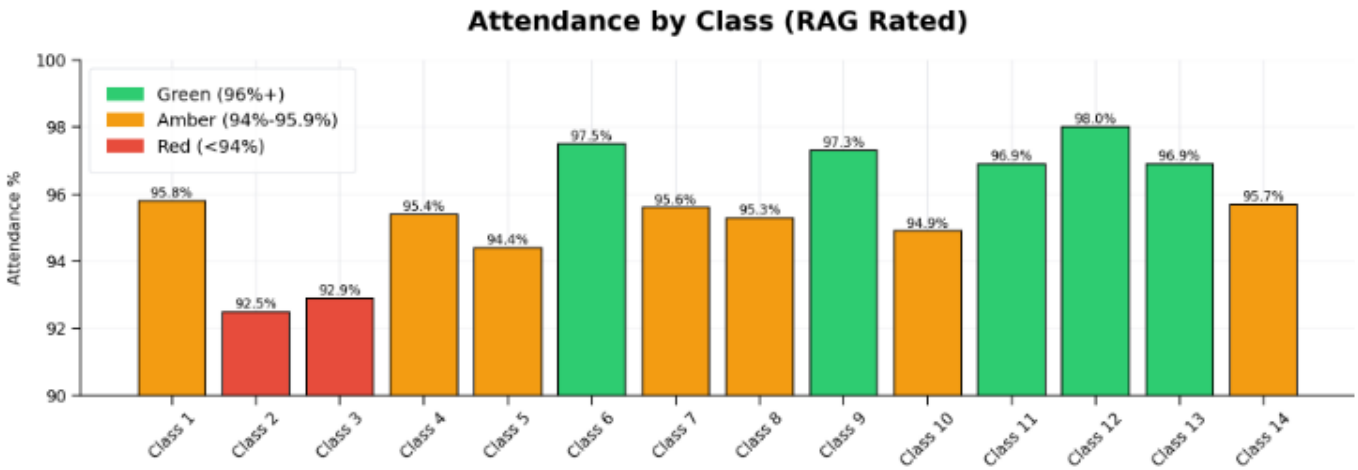

Picture News celebrates a large number of religious festivals through a question. Wishing everyone a Happy Diwali this weekend.

As a school we celebrate Remembrance Day each year. We have key stage assemblies followed by a minute's silence outside as a whole school. This is followed up in class assemblies.

Attendance for this week

Last week's attendance total was 95.7%
