IT around us

How is information technology (IT) being used for good in our lives? With an initial focus on IT in the home, children explore how IT benefits society in places such as shops, libraries, and hospitals. Whilst discussing the responsible use of technology, and how to make smart choices when using it.

RE

Christianity - God

Children will look at Christian beliefs about God as creator and sustainer, and consider how these beliefs might influence Christian attitudes towards the planet. They should be able to retell the creation account in Genesis. They will explore how Christians might express their beliefs and values through acts of stewardship and/or through harvest festivities.

Science

Animals including humans

During this unit of work, children will learn about the basic needs that all humans need to survive and live. They will study more closely the importance of exercise, a healthy diet and good hygiene as ways to keep us healthy. They will also look at offspring of different animals and how they develop and change into adults as they grow. Finally, children will also look at ways to keep themselves from becoming ill as well as things they can do if they do become ill.

Anderton Primary School

Autumn 1

Year 2

We Explore

Music

Children will be introduced to new instrument and begin to learn key skills including notation, rhythm and pitch.

PE

Orienteering and Athletics

We will begin to look at and understand what orienteering is and navigate simple maps.

In Athletics we will work with CSSP to understand the fundamentals of dance.

DT

The children will be investigating shell structures before designing, making and evaluating their own bird feeders.

PSHE

What makes a good friend?

We will look at ourselves and compare similarities and differences to others. We will explore what makes a good friend and how we don't have to be the same to be friends.

Geography

Weather and Climate

The children will understand how weather and climate are different. They will learn about hot and cold places as well as the weather where we live.

History - Seaside

We will look at the history of Blackpool and how it has changed over time.
