

Communication and Language

This half term the children will be encouraged to listen and follow instructions throughout the day. They will be encouraged to ask and answer questions appropriately using words such as how, why and when. Children will share daily story times where they will be encouraged to listen for a short period of time and answer questions about the text.

Personal Social and Emotional Development

This half term we will focus on kindness. We will share stories and real-life experiences about being kind. During circle time we will discuss and explore how it feels when people are kind to us. Children will be recognised for completed random acts of kindness.

Physical Development

Children will take part in two PE sessions a week on Monday and Wednesday. In our PE lessons we will continue working on the 5 fundamental skills.

The children will continue working on their fine motor skills through daily activities and provision in the classroom.

Understanding the World

- E-Safety
- Winter and Seasonal changes
- Chinese New Year
- Dinosaurs and Fossils
- Animal Habitats
- Forest School

Anderton Primary School

Spring Term 1

Reception

Extinct, Endangered, Existing!
