

Science

Light

In this unit children will learn to recognise that dark is the absence of light. Explore reflection and shadows.

Forces and Magnets

In this unit children will learn to explore how objects move on different surfaces and the forces of magnets.

We Innovate

School Value = Persevere

British Values = Tolerance of different faiths & beliefs

PSHE

Why should we eat well and
look after our teeth?

Why should we keep active
and sleep well?

Computing

Desktop Publishing

Learners will become familiar with the terms 'text' and 'images' and emojis and understand that they can be used to communicate messages offline and online.

Events and actions in programs

This unit explores the links between events and actions, while consolidating prior learning relating to sequencing.

Geography

UK

In this unit the children will describe and understand key aspects of human and physical geography, including: types of settlement and land use. Our focus will be on the UK.

RE

Why is water
symbolic?

Why is fire used
ceremonially?

Art

In this unit the children will draw Rivington Pike from direct observation using charcoal and then represent the landscape using weaving techniques.
