Big Cats - Explanation

Maths

Autumn term

Place value

Addition and subtraction

Shape

Computing

Online Safety

What is a computer?

Algorithms and Debugging

The children will investigate online safety and what happens to information posted online. They will investigate what a computer is by exploring the different inputs and outputs. They will explore algorithms and debugging through online games.

RE

Why do we need to give thanks?

What is light important to people?

The children will investigate how people give gratitude by exploring beliefs and practices. The children will explore the symbolism of light in different religions and worldviews.

Science

Animals including humans

During this unit of work, children will learn about the basic needs that all humans need to survive and live. They will study more closely the importance of exercise, a healthy diet and good hygiene as ways to keep us healthy. They will also look at offspring of different animals and how they develop and change into adults as they grow. Finally, children will also look at ways to keep themselves from becoming ill as well as things they can do if they do become ill.

Anderton Primary School

Autumn

Year 2

We Explore

Music

Animals: Call and Response

The children will develop rhythm and pulse through chanting call and response sound patterns and performing with untuned percussion instruments.

PE

Orienteering and Dance

We will begin to look at and understand what orienteering is and navigate simple maps.

In Dance, we will learn to link movements together to create a sequence in rhythm.

DT

The children will be investigating shell structures before designing, making and evaluating their own bird feeders.

PSHE

Health and Well Being

We will learn about our emotions and how to respond to them. We will learn about the impact of physical exercise on our mood and relaxing strategies to regulate our emotions.

Geography

Weather and Climate

The children will understand how weather and climate are different. They will learn about hot and cold places as well as the weather where we live.

History – Local History

We will look at the history of Blackpool and how it has changed over time.
