

Provision of Care

Nappy Changing and Clothes Changing Agreement

In order to best meet the needs of your child when they are with us, we would like to set up an individual agreement between parents/carers and the school with regard to intimate care.

Intimate care is any care which involves washing, changing or carrying out a procedure which children are unable to do for themselves, arising from the child's stage of development. Intimate care may involve helping with drinking, eating, dressing, toileting or comforting. In most cases at school intimate care will involve procedures to do with personal hygiene.

Staff at Longton Nursery who are providing intimate care are aware of the need to adhere to good Child Protection practice in order to minimise the risks for both children and themselves.

All staff are supported and trained so that they feel confident in their practice.

Name of Child _____

I give permission to Longton Nursery to provide appropriate intimate care to my child.

I understand that this will be carried out by a trained and qualified member of the Longton Nursery staff team.

Signed _____ Parent/Carer
