

In January 2026, we proudly launched our new nursery provision within the school, made possible by additional funding that has helped us create a fantastic new resource for our community. Children can attend the nursery from the day after their 3rd birthday.

We participate in the government's 15-hour and 30-hour free entitlement schemes, allowing your child to attend our nursery for up to 30 hours per week. Any extra hours beyond this can be paid for. We also offer convenient 'wrap-around' care through our onsite Breakfast and After School Club, providing flexible support for families.

Please look at our session times below and indicate on the sheet attached any hours you would be interested in.

Start Dates:

Funding for three-year-olds starts at the beginning of term after their third birthday.
