

Class 4 - Autumn 2

Key Information

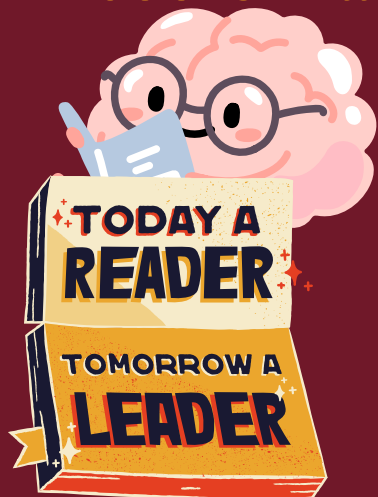

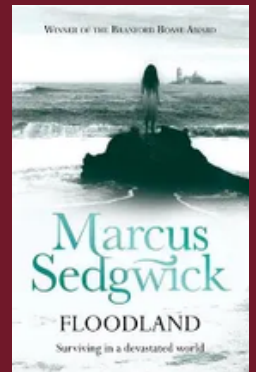

Mr Raynes
Miss Durkin
Mrs Parkinson

PE days for this half term are Tuesday and Thursday.

Homework is given on a Thursday, and is due for the next Thursday. Spellings will be tested on Thursday. Reading books will be changed on a Thursday.

Class 4-led Christingle Service Tuesday 16th December 2.30pm

During the end-of-day storytime, we are reading 'Noah's Gold' by Frank Cottrell-Boyce

In our reading lesson, we are reading 'Floodland' by Marcus Sedgwick

Class 4's Learning Overview

Autumn 2

In reading, we will look at a variety of non fiction texts alongside 'Floodland' by Marcus Sedgewick. We will focus on the VIPERS reading domains.

Reading

Writing

In writing, we will be looking at the text 'The Fossil Hunter' by Kate Winter. Children will use the text to write a biography.

Maths

In maths, we will work on addition and subtraction. We will cover written methods, as well as mental strategies. We will spend time looking at multiplying and dividing by powers of 10, factors and multiples.

R.E.

During R.E., we will be considering why light is an important symbol in world faiths. Children will explore why Jesus is seen as the light of the world in Christianity.

Geography

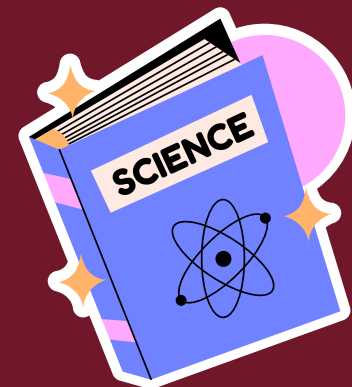

In history, we will be looking at maps. We will consider how Accrington has changed from Anglo Saxon times until now.

Science

In science, we are exploring space. We will investigate planets in our solar system, whilst also considering why we have shadows and seasons.

P.S.H.E.

During P.S.H.E., we will be focusing on citizenship. We will explore human rights, what it means to be a member of a community and how to care for the environment.

French

In French, children will build on their knowledge of vocabulary for family.

They will be able to describe a fictitious family by name, age and relationship.

Music

In our music lessons, we will be learning about the history and features of calypso music, performing a calypso-style song with voices and tuned percussion in multiple parts and playing from staff notation.

P.E.

During P.E., we will be focussing on developing ball skills in one lesson. In the other, we will be completing a unit on dance.

Design Technology

Computing

In our computing learning we will be planning, creating and evaluating our own animations. We will also be looking at databases.

In Design Technology, we will be making and designing mechanical cars that use different methods of movement.
