Polite Reminder - Dogs on and around our Site

For the safety and wellbeing of all our children, we kindly ask that dogs are not brought onto the school site or kept close to the school gates during drop-off and pick-up times.

While we understand that many families enjoy walking to school with their pets, it is important to remember that some children are frightened of dogs. We certainly don't want any child to feel anxious or worried when coming into or leaving school. By keeping dogs well away from the gates and entrances, we can ensure that every child feels safe and confident.

Thank you for your understanding and support in helping us maintain a safe, calm and welcoming environment for everyone.

Headteachers Message

Dear Parents and Carers,

It has been another wonderfully busy and exciting week in school. On Monday, our children took part in a Handball Festival in school, and what a fantastic day it was! The children showed great determination, teamwork, and sportsmanship throughout. We were so proud of the way they encouraged one another and embraced the chance to try something new.

Meanwhile, back in school, the corridors and classrooms have been full of energy and curiosity. Our children have been enjoying a wide range of activities across the curriculum – from imaginative artwork and creative geography projects to hands-on science experiments and plenty more besides. It has been a real pleasure to walk around school and see children so engaged in their learning, asking thoughtful questions and sharing their ideas with confidence.

These moments really highlight the breadth and richness of our curriculum, and the enthusiasm with which our children approach their learning.

Thank you, as always, for your continued encouragement and support – it makes such a difference to the children and to our school community as a whole.

Wishing you all a lovely weekend.

Kind regards,

Mr A Williams

MacMillan Coffee Morning

Friday 26th September 2025

We are delighted to once again be supporting the Macmillan Coffee Morning here at school on Friday 26th September 2025. Parents, carers, and members of our community are warmly invited to join us for a cuppa, a slice of cake, and plenty of friendly conversation – all while raising money for such an important cause.

If you are able to contribute beforehand, we would be very grateful for any donations of cakes or biscuits, whether bought or baked. These will help us to make the event a real success.

We do hope you can come along, enjoy some tasty treats, and help us raise funds for Macmillan Cancer Support. Together, we can make a big difference.

PTA Updates

Our PTFA works so hard to raise valuable funds that go directly back into enriching our children's experiences at school. From discos and fairs to raffles and special treats, every penny raised helps to make school life that little bit more special.

To make these events possible, we rely on the support of volunteers. Whether you can give an hour here and there, help set up, run a stall, or tidy away afterwards – every bit of help makes a huge difference.

If you'd like to get involved, please do let us know. Many hands really do make light work, and it's a great way to be part of our school community while helping raise funds for the children.
