Mr. Mike's DT Woodwork Classes

Some of our Year 5 and 6 children are currently enjoying an intensive six-week woodwork project with our Site Manager, Mike. They've already been busy learning new skills and exploring how to work with wood, creating planters, robots and a range of mini project models. Over the next half term, more children will have the chance to take part in this exciting opportunity. A huge well done to everyone involved so far, and a special thank you to Mike for sharing his expertise and enthusiasm!

Headteachers Message

Dear Parents and Carers,

It has been another wonderfully productive week at school. On Wednesday evening we welcomed families for our Open Evening, which was a great success. Our Year 6 prefects were outstanding in their roles as tour guides – their enthusiasm and pride in our school really shone through and we thank them very much for their hard work.

Elsewhere, children have been busy taking part in a variety of different enriching opportunities. Some of our children enjoyed sporting trips for inclusion events, while our Year 4 class had an exciting adventure during their visit to Farington Park to explore the differences between this and life in the Amazon Rainforest! All in all, it has been a busy, fun-filled, and highly productive week right across school.

Thank you, as always, for your continued support. Wishing you all a wonderful weekend, and we look forward to seeing the children back in school on Monday morning.

Kind regards,

Mr A Williams

Year 4 visit to Farington Park 'An Amazonian Adventure!'

Year 4 had a fantastic time on their visit to Farington Park this week. As part of their geography topic, the children became real-life researchers, carrying out surveys by speaking to different members of the public. They were curious, polite and confident as they asked their questions, and really enjoyed hearing the different views and experiences people shared with them.

The class also explored the park itself, looking carefully at how our local environment compares to life in the Amazon Rainforest. From noticing the types of plants and animals, to thinking about how people use the space, the children made thoughtful connections between the two very different locations.

It was a trip full of discovery, discussion and teamwork – and, as always, the children represented our school brilliantly well.

Stars of the Week

Our Star of the Week Assembly takes place every Friday at 9.10am. All are welcome to attend, although we will send out a message if your child has been chosen as Star of the Week.

We hope to see you celebrating the successes of our children soon!

Congratulations to the following children who were presented with their Star of the Week award during assembly this morning!

Class R— Ezra R

Class 1— Freya W

Class 2— Noah F

Class 3— Amelia V

Class 4— Declan H

Class 5— Amelia E

Class 6— Isobel H

Sporting Inclusion Event at Worden Academy

A small group of children from years 3 & 4 were selected to take part in an inclusion event at Worden Academy, offering them the opportunity to experience a variety of different sports including dodgeball, volleyball, golf and boxing amongst others. The children had a tremendous time as well as developing their confidence and skill set as they played alongside children from lots of local schools. A big well done for your brilliant behaviour and thank you to South Ribble School Games as well as the Young leaders from Worden Academy for organising such an excellent event.
