Support our Christmas Festive Markets

We are reaching out to members of our local community to ask for support in making this event a success. Contributions of any kind—**raffle prizes, gift vouchers, cakes, chocolates, festive treats, or other donations**—would be greatly appreciated and will help to create a truly memorable event for our children and families.

All funds raised during the Christmas Markets will go directly towards projects that enrich the educational opportunities at our school. These may include new library resources, additional extracurricular activities, or classroom upgrades, all aimed at fostering creativity, curiosity, and confidence in our children whilst supporting their learning journey.

Headteachers Message

Dear Parents and Carers,

As we move through this busy term, I want to remind you that lots of important information has been—and will continue to be—shared via the SchoolSpider app. Please do check the app regularly to stay up to date with school news, updates, and reminders.

Looking ahead, there are many key dates coming up throughout December. We hope that having these in your diaries in advance will help you plan and ensure your children don't miss out on any of the exciting events and activities we have planned.

Thank you for your continued support in keeping up with communications and for helping us make this term a smooth and successful one for all our children.

Wishing you a restful weekend and we look forward to seeing you all again on Monday morning.

Warm regards,

Mr A Williams

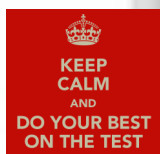

Assessment Week

This week our classrooms have been awash with focus and determination as we held our Autumn Term Assessment Week. These assessments give us valuable insights into each child's progress, helping teachers understand what each child has mastered and where they may need extra support. It enables our staff to adapt planning and informs them of key areas for curriculum coverage.

Assessment Week is not just about tests—it's about celebrating learning and growth. The information we gather helps us plan lessons that are tailored to each child, ensuring everyone has the opportunity to thrive. It also allows children to reflect on their own achievements and see how far they have come over this first term.

I would like to take this opportunity to thank our amazing children for their hard work, focus, and perseverance throughout the week. Completing assessments can sometimes feel challenging, but every child has shown great resilience and determination. We are incredibly proud of their efforts!

A huge thank you also goes to our teachers and staff for preparing the assessments and supporting the children throughout the week. Together, we continue to create a positive learning environment where every child can succeed.

Stars of the Week

Our Star of the Week Assembly takes place every Friday at 9.10am. All are welcome to attend, although we will send out a message if your child has been chosen as Star of the Week.

We hope to see you celebrating the successes of our children soon!

Congratulations to the following children who were presented with their Star of the Week award during assembly this morning!

Class R— Chester A

Class 1— Max M

Class 2— Bella B

Class 3— Quinn R

Class 4— Emmi A

Class 5— Sophie F

Class 6— Lincoln H

DODGEBALL

A big well done to the year 3/4 children who were selected to represent Farington Primary School in our Dodgeball team. They formed a terrific team and displayed superb skills throughout the tournament.

Thank you to you all, for setting such a positive example in your contribution to sporting events.
