Mon 2nd—Fri 6th February—Themed Week in school—Around the World—Friday themed week assembly at 2pm

Due to a PE event, please can all year groups attend school in their full PE kit on Monday 19th January.

Year 1 Visit to *Imagine That*

Year 1 thoroughly enjoyed an action-packed visit to *Imagine That*, where learning truly came to life. The children immersed themselves in a range of hands-on science activities, taking part in exciting experiments and investigations. From making snow and mixing slime to painting a real car, there was a real sense of curiosity, wonder and enthusiasm throughout the day.

There was plenty of excitement and laughter as the children explored together, with the water area proving to be a particular favourite. Year 1's behaviour was outstanding at all times, and they represented the school beautifully. We are incredibly proud of how well they embraced the experience and of the enthusiasm they showed as young scientists.

Headteachers Message

Dear Parents and Carers,

It has been another busy and productive week across school, and I have thoroughly enjoyed seeing the range and quality of work being produced by our children. The Achievement Books continue to showcase excellent effort, pride and progress, and it has been a pleasure to share these successes with the children as we celebrate their learning.

We have also had some fantastic learning experiences beyond the classroom this week. Year 1 enjoyed an exciting visit to *Imagine That*, where the children explored, investigated and learned through hands-on activities that brought their classroom topics to life. Meanwhile, Year 5 had a wonderful trip to the Liverpool Museum, enriching their understanding of history and culture, with both classes representing our school superbly throughout the day.

Thank you, as always, for your continued support in helping to make these opportunities possible and for the encouragement you give your children each day. Weeks like this are a great reminder of how much our children benefit from a broad, engaging curriculum and strong home-school partnerships.

I hope you all have a lovely weekend.

Mr A Williams

Year 5: Liverpool World Museum

Our Year 5 children enjoyed a memorable and enriching day out at the Liverpool World Museum. From the moment they arrived, there was a real sense of excitement and curiosity.

They were particularly captivated by the planetarium show and the astronaut workshop, which brought learning about space vividly to life, before spending time exploring the fascinating space gallery.

The children were also keen to discover the ancient history exhibits and the aquarium, both of which proved to be real highlights. There was plenty of enthusiasm as they spotted a wide range of sea creatures and discussed what they had learned. Even the train journey added to the enjoyment of the day, giving everyone the opportunity to chat, take in the views, and enjoy travelling together as a class, making the whole trip a wonderful

Stars of the Week

Our Star of the Week Assembly takes place every Friday at 9.10am. All are welcome to attend, although we will send out a message if your child has been chosen as Star of the Week.

We hope to see you celebrating the successes of our children soon!

Congratulations to the following children who were presented with their Star of the Week award during assembly this morning!

Class R— Alexandria C

Class 1— Freya W

Class 2— Louis A

Class 3— Iyla-Rae S

Class 4— Logan R

Class 5— Isabella A

Class 6— Brayden N

Over the coming days and weeks, each class will be taking part in their next *No Outsiders* lesson, using carefully chosen texts to explore important themes such as respect, equality, difference and belonging.

These lessons are always a highlight, not only because of the engaging stories used, but also because of the thoughtful discussions they inspire. Children are encouraged to listen carefully, share their own ideas and ask questions in a safe and respectful environment. The conversations that take place show just how reflective and considerate our children are.

We are very proud of how maturely our children approach these sessions and how well they support one another when discussing sometimes complex ideas. These lessons are an important part of our commitment to preparing children to thrive in modern Britain, where kindness, respect and inclusion matter.

School Meals

Our school meal menu is available via the App or on our website [here](#):

The menu for the upcoming weeks is as follows:

W/C 19th Jan—Week 3

W/C 26th Jan—Week 1

W/C 2nd Feb—Week 2

PTFA Updates

Get Involved with the PTFA

Our PTFA plays a key role in supporting the school and bringing our community together through fundraising and social events that benefit all our children. We are always keen to welcome new members, whether you can offer a little time, help at an event, or simply support by attending.

There are lots of exciting events planned for the coming weeks and months, so please keep a look out for messages and dates. Your involvement and support really do make a difference, and we look forward to seeing you at future PTFA events.
