Year 3 Tennis Competition Success

On Tuesday, four of our Year 3 children proudly represented our school at a tennis competition held at South Ribble Tennis Centre. They showed fantastic enthusiasm and determination throughout the event, whilst learning lots of new skills too.

The children played a number of matches against other local schools and impressed with their teamwork, sportsmanship and positive attitudes. They supported one another brilliantly and showed great resilience in every game.

We are very proud of how they represented our school — well done to all four players for a super effort and a great sporting experience.

Headteachers Message

Dear Parents and Carers,

As we come to the end of half term, I would like to thank you for your continued support of the school. It has been a busy and positive few weeks, and we are very proud of the children's hard work, enthusiasm and behaviour across all areas of school life.

We are grateful for the strong partnership we share with our families — whether through attending events, supporting learning at home, or working with our staff. It truly makes a difference.

Please take the half term break as a chance to rest and recharge. We hope you enjoy some quality family time and perhaps a little sunshine too. When we return, we have another exciting stretch of the term ahead with several special activities and learning opportunities planned.

On behalf of all the staff, thank you again for your ongoing support, and we look forward to welcoming everyone back refreshed and ready for the next half term.

Year 4 Residential Trip to High Adventure

This week, our Year 4 children enjoyed an exciting residential visit to High Adventure in Yorkshire. The trip was packed with outdoor challenges and new experiences, giving the children the chance to build confidence, teamwork and resilience.

During their stay, children took part in a range of adventurous activities, pushing themselves to try new things and support one another along the way. From climbing and problem-solving challenges to team games and outdoor exploration, the children approached every activity with enthusiasm and determination.

Staff were incredibly proud of the way the children represented our school — showing excellent behaviour, encouragement towards their classmates and a real sense of adventure. A special thank you goes to Mr Fisher and Miss Gray for accompanying the children and ensuring the trip ran smoothly.

It was a memorable experience for all involved and one that the children will be talking about for a long time to come.

Stars of the Week

Our Star of the Week Assembly takes place every Friday at 9.10am. All are welcome to attend, although we will send out a message if your child has been chosen as Star of the Week.

We hope to see you celebrating the successes of our children soon!

PTFA Updates

We will be holding a non-uniform day on Friday 6th March. In exchange, we ask that you bring in a gift suitable for one of our wonderful mums/grandmas/aunties.

The shop will then be open for business on Monday 9th, Tuesday 10th and the last chance to buy will be Wednesday 11th March 2026. The price of a gift will be £3. The item will go up on ParentPay after half term. Alternatively your child can bring in the cash.

If there are any volunteers who could help to wrap the presents, that would be great. Just let the office know.
