Strumming Success!

On Monday, our Year 4 children treated us to a fantastic ukulele concert, performing with confidence and enthusiasm. It was wonderful to see how much progress they have made and how proudly they shared their learning.

We also enjoyed impressive performances from our guitar tuition club, who showcased the skills they have developed throughout the spring term.

A big thank you to Mr Bird for his dedication and for inspiring our young musicians, and a huge well done to all the children – you made us very proud!

Headteachers Message

Dear Parents and Carers,

As we move into the penultimate week of the spring term, I would like to take a moment to thank you for your continued support. It has already been a busy and productive term, full of learning, progress and memorable experiences for our children, and it has been wonderful to see their enthusiasm and resilience in all that they do.

There have been many highlights across the school, from trips and performances to the excellent work taking place in classrooms every day. Our children continue to make us proud with their positive attitudes and commitment to their learning.

As we begin to look ahead to the summer term, we are excited for all that is to come. This is always a particularly important and enjoyable term, with opportunities for outdoor learning, enrichment activities and key milestones for many of our year groups.

Thank you once again for your ongoing support as we head towards the end of term. Have a wonderful weekend and hopefully this nice weather remains!

Kind regards,

Mr A Williams

Comic Relief—Red Nose Day

Red Nose Day was a fantastic occasion in school today, filled with laughter, colour and a wonderful sense of community spirit by joining forces together. It was a joy to see so many children (and staff!) embracing the fun, from wacky and creative hairstyles to brightly coloured and wonderfully odd socks, all topped off with plenty of red noses across school.

Beyond the fun, the day carried an important message. By coming together and taking part, we have raised valuable funds to support Comic Relief and the vital work they do to help those facing difficult circumstances both in the UK and around the world.

Thank you to everyone who contributed, whether by dressing up, donating, or simply joining in the celebrations. Your support and enthusiasm made the day such a success and truly reflect the caring and generous spirit of our school community.

Stars of the Week

Our Star of the Week Assembly takes place every Friday at 9.10am. All are welcome to attend, although we will send out a message if your child has been chosen as Star of the Week.

We hope to see you celebrating the successes of our children soon!

Farington Book Fair - Come and Explore!

Our Book Fair is in full swing this week in the KS2 library, and it will also be open during next week's Parents' Evening! It's the perfect chance for children (and grown-ups!) to browse, discover exciting new stories, and pick out a special book to enjoy at home.

Every book you buy helps our school to provide even more resources and opportunities for our children, so thank you for supporting this event. We can't wait to see you there and share the joy of reading with all our families!

School Meals

Our school meal menu is available via the App or on our website [here](#):
