A Tri-umphant Tuesday!

"Can we do it again please?"

That was the question on everyone's lips after 117 of our Farington children in years 1- 6 took on swim, bike and run with Trikidz.

The children tackled each challenge with resilience and enthusiasm, with many showing real determination across all three disciplines. Staff said it was fantastic start to the week and were impressed by the children's efforts and positive attitudes. Coaches Georgina and Jahn led the sessions commented on their brilliant behaviour and are already looking forward to building on their skills next year.

Well done to you all for representing Farington and continuing our vision to aim high and aspire to the best that we can!

Headteachers Message

Dear Parents and Carers,

It has been another fantastic week in school, with many of our children recognised through Achievement Book entries for their hard work, positive attitudes and excellent effort. It is always a pleasure to celebrate the achievements of our children and the many ways they contribute to school life each day.

It has also been a busy and successful week for sport. On Tuesday, we thoroughly enjoyed taking part in our Tri Kids event in school, showing great enthusiasm, determination and resilience throughout the activities. We have also continued our success in the Year 5/6 Tag Rugby competition, with our team representing the school brilliantly through their teamwork, commitment and sportsmanship yet again.

Thank you, as always, for your continued support. I hope you all enjoy a restful weekend and we look forward to another positive week ahead next week.

Year 6 SATs Next Week: Ready, Calm and Confident

Next week, our Year 6 children will complete their SATs assessments and we would like to say just how proud we are of them already. They have worked incredibly hard throughout the year and have shown great determination, resilience and maturity in preparing for the week ahead. The children should feel very proud of everything they have achieved so far.

This weekend, the most important thing is for the children to relax, get plenty of rest and come into school on Monday feeling calm and positive. A good night's sleep, a healthy breakfast and arriving at school on time will help them feel ready to do their very best. There is no need for lots of extra revision — confidence and wellbeing are just as important.

We know our Year 6 children will approach next week with the same positive attitude they show every day, and we look forward to supporting and celebrating them throughout the week.

GOOD LUCK!
For your SATs
YEAR 6

Stars of the Week

Our Star of the Week Assembly takes place every Friday at 9.10am. All are welcome to attend, although we will send out a message if your child has been chosen as Star of the Week.

We hope to see you celebrating the successes of our children soon!

Coming soon! Rock and pop band lessons with Rocksteady!

We are excited to be partnering with Rocksteady Music School from 3rd June to offer fun, inclusive rock and pop band lessons here at school, led by professional musicians.

No experience is needed and all instruments are provided. Children will learn a range of musical skills while playing in a real band, building confidence, teamwork and creativity along the way. They will also have the opportunity to perform in end-of-term concerts, showing the progress they have made. Rocksteady lessons are proven to support children's wellbeing and social development, making music fun and accessible for everyone.

To introduce the programme, Rocksteady will be running interactive workshops in school on Friday 15th May, giving our children the chance to try instruments and experience what it's like to be in a band.

Places are limited and offered on a first come, first served basis. Please look out for the letter coming home or visit rocksteadymusicschool.com/parents to sign up.

PTFA Updates

Get Involved with Our PTFA

As we look ahead to the summer term, there are already exciting plans beginning to take shape. We are always keen to welcome new members, whether you can offer a little time to help at events, share ideas, or be part of the planning behind the scenes. Every contribution, big or small, makes a real difference.

If you are interested in joining or would simply like to find out more, please do get in touch with the school office.

In the meantime, do keep an eye out for upcoming events and opportunities to get involved over the coming weeks—we look forward to seeing many of you there.
