School Games GOLD....Again!

We are delighted to announce that we have achieved the School Games GOLD LEVEL Mark Award for the 2025/26 academic year.

This follows on from Gold last year too.

The School Games Mark is a Government-led award scheme launched in 2012, facilitated by the Youth Sport Trust to reward schools for their commitment to the development of competition across their school and into the community, and we are delighted to have been recognised for our success.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.

A special thanks to all involved and especially to Miss Gray for all of her passion, hard work and dedication to helping all of our staff and children here at Farington. THANK YOU!

We look forward to applying once again in 2027!

Headteachers Message

Dear Parents and Carers,

As we reach the end of another busy and rewarding week, I would like to begin by congratulating our wonderful Year 6 children, who approached their SATs with resilience, maturity and determination. We are incredibly proud of the calm and positive attitude they showed throughout the week. They have worked exceptionally hard all year and, regardless of outcomes, they should feel very proud of themselves.

It has also been another fantastic week for celebrating achievements across the school. Our Achievement Book continues to fill with examples of excellent work, kindness, perseverance and creativity. It is always a pleasure to see our children so proud to share their successes, and we are delighted to celebrate so many positive moments together as a school community.

As always, thank you for your ongoing encouragement and partnership. We hope everyone enjoys a restful weekend ahead.

Year 6 SATs - A week to be proud of!

This week, our Year 6 children completed their SATs assessments and we are incredibly proud of the resilience, hard work and determination they have shown throughout the week.

The children approached each day with positivity and maturity, giving every paper their very best effort while supporting one another along the way.

Their commitment over many months of preparation has been wonderful to see and they should all feel extremely proud of themselves.

While SATs are only one part of their journey, the qualities they have shown this week — perseverance, courage and a determination to succeed — have been outstanding and will serve them well in the future.

A huge thank you also goes to our staff and families for the encouragement and support they have given our pupils throughout this important week.

Well done, Year 6 — you have been fantastic.

Stars of the Week

Our Star of the Week Assembly takes place every Friday at 9.10am. All are welcome to attend, although we will send out a message if your child has been chosen as Star of the Week.

We hope to see you celebrating the successes of our children soon!

Tag Rugby Success!

We are thrilled to share the amazing news that our tag rugby team has made it to the FINALS after their excellent performance in a 3-week league.

Across 11 matches, the team have played at a very high standard and performed phenomenally every match. It's been fantastic to see how much they have all progressed and how brilliantly they have worked together as a team. Their place in the final is truly deserved!

A huge thank you to all parents for your support, to South Ribble for organising the event so well, and to the young leaders at St Mary's for their leadership skills through the games.

The final match will take place on Thursday 21st May at 3:45 - 5:30 at Hutton Grammar School. We wish the team the very best of luck and know they will represent our school with pride!

Miss Gray 😊

PTFA Updates

Get Involved with Our PTFA

As we look ahead to the summer term, there are already exciting plans beginning to take shape. We are always keen to welcome new members, whether you can offer a little time to help at events, share ideas, or be part of the planning behind the scenes. Every contribution, big or small, makes a real difference.

If you are interested in joining or would simply like to find out more, please do get in touch with the school office.

In the meantime, do keep an eye out for upcoming events and opportunities to get involved over the coming weeks—we look forward to seeing many of you there.
