Taking Pride in Our Achievements

This week's Word of the Moment is **Pride**, and it was a pleasure to share this theme during our Star of the Week assembly.

One of the most rewarding parts of school life is seeing children take pride in their work, their efforts and their achievements.

Whether it is a piece of writing, a sporting success, an act of kindness or progress in the classroom, our pupils are increasingly confident in celebrating what they have accomplished.

We encourage children to be proud of their achievements and to share them with our school community. Celebrating success not only recognises hard work and perseverance, but also inspires others to strive for their very best.

I am incredibly proud of all our children and the enthusiasm they show in celebrating one another's successes.

Headteachers Message

Dear Parents and Carers,

This week has been Assessment Week, and I would like to congratulate all of our children on the hard work, focus and determination they have shown throughout.

Assessments provide us with valuable information about children's progress and help us plan the next steps in their learning. We have been incredibly impressed by the positive attitudes displayed across the school, with the children approaching each challenge with confidence and resilience.

We are very proud of all that the children have achieved and would like to thank our staff and families for the support and encouragement they provide each day. Working together, we continue to help every child flourish and achieve their very best.

Thank you for your continued support. I hope you all have a wonderful weekend and enjoy some well-deserved time together with family and friends.

Netball Tournament Success

Our team finished 5th overall after seven hard-fought matches, and it was fantastic to see the progress they made throughout the tournament.

Every player rotated through all positions, gaining valuable experience across the court. Their teamwork, attitude and willingness to learn were outstanding. The way they supported one another, adapted to new challenges and improved throughout the day was worth more than any trophy.

Watching them rotate, communicate and grow in confidence was everything we could have asked for as representatives of Farington.

A huge effort from the whole team – you did yourselves proud. Well done to everyone involved.

A big thank you to everyone at South Ribble, the wonderful young leaders from Worden Academy, and all of the parents who came along to cheer us on.

Miss Gray

A Special Visit from Author Dan Worsley

We are delighted to be welcoming children's author Dan Worsley to Farington on Monday for what promises to be an exciting and inspiring day for our children.

Throughout the day, Dan will lead assemblies, share readings from his books and deliver engaging workshops designed to spark creativity and encourage a love of reading and writing. This is a fantastic opportunity for children to hear first-hand about the life of an author, discover where story ideas come from and gain inspiration for their own writing journeys.

There will also be a book signing event, where children will have the opportunity to purchase some of Dan's books and have them personally signed and dedicated. Information regarding the pricing of this has been sent via SchoolSpider. A personalised book can be a wonderful keepsake and a great way to encourage a lifelong love of reading.

We are looking forward to what promises to be a fantastic day!
