Finish for October half term at 3:20pm

Representing Farington at Our Gold Award Ceremony

We are incredibly proud that six of our children will be accompanying Mr Williams and Mrs Seager next week to receive our Gold Behaviour Quality Mark Award on behalf of Farington Primary School.

This prestigious award recognises the positive behaviour culture we have worked hard to develop across our school, including the importance we place on kindness, honesty and respect, positive relationships, inclusion and supporting children to make positive choices.

Our six children have been chosen to represent the wider Farington family and will proudly accept the award on behalf of all of our children, staff and families.

This is a fantastic achievement for our school and a wonderful opportunity for our children to celebrate the role they play in making Farington such a positive and welcoming place to learn.

We are very proud of you all – and we can't wait to share more from the award ceremony next week!

Headteachers Message

Dear Parents/Carers,

As we reach the end of another busy and productive week at Farington, it is lovely to reflect on everything that has taken place across school.

One of the highlights of the week was undoubtedly our Open Evening on Wednesday. It was fantastic to see so many of our families, prospective families and members of our wider community visiting school. The evening was incredibly well attended, and the atmosphere throughout the school was wonderful. Our classrooms were full of children's work showing the attendees great learning, work and our wonderful environment we enjoy each day.

A huge thank you must go to all of our staff who attended for the time, effort and care they put into making the evening such a success. It was a real opportunity to showcase the wonderful things happening at Farington and, most importantly, the children at the heart of everything we do.

Across the rest of the week, our children have continued to work hard, make progress and enjoy a wide range of learning opportunities. From our classrooms to our outdoor learning, there has been a real sense of purpose and positivity around school.

Another important event this week has been our Macmillan Coffee Morning. It has been wonderful to see our Farington community once again coming together to support such an important cause.

A huge thank you to everyone who has donated cakes, baked treats, contributed money or simply taken the time to support the event. The generosity of our families never fails to impress us, and these occasions are a lovely reminder that a school is about much more than what happens inside the classroom.

Our children have also enjoyed getting involved, with classes visiting the hall during the school day and having the opportunity to purchase some of the delicious treats that have been donated. It is a great way for children to understand the importance of kindness, generosity and thinking about others, while also contributing to a very worthwhile cause.

We are incredibly proud of the way our Farington families support charitable events such as this. Every cake bought, donation made and penny raised contributes towards Macmillan's work supporting people and families affected by cancer. We made an amazing £330

As always, thank you to our parents and carers for your continued support. The start of a new school year is always a busy time as routines settle and relationships develop, and I am incredibly grateful for the positive way in which our families continue to work alongside us.

Have a wonderful weekend, everyone. Rest, recharge and enjoy some family time.

Mr A Williams
Headteacher

Stars of the Week

Our Star of the Week Assembly takes place every Friday at 9.10am. All are welcome to attend, although we will send out a message if your child has been chosen as Star of the Week.

We hope to see you celebrating the successes of our children soon!

Congratulations to the following children who were presented with their Star of the Week award during assembly this morning!

Class R— Leo W
Class 1— Maggie C
Class 2— Stanley S
Class 3— Louis A
Class 4— Erin A
Class 5— Luna S
Class 6— Duncan H

South Ribble School Games - Multi Skills Inclusion Festival

Have a look at what a great time our Farington Children had 😊

Our Year 3 & 4 children had a fabulous afternoon at Worden Academy on Wednesday taking part in the South Ribble Games Inclusion Festival.

They joined children from 9 other local schools to get active, have fun and try something new in a really positive and inclusive environment.

The children rotated around 6 activity stations and loved trying new sporting opportunities including Axe throwing; Boccia; Target Throw; Handball and Cornhole.

They showed fantastic enthusiasm, determination and sportsmanship throughout - we are so proud of them!

A huge thank you to South Ribble School Games for organising such a brilliant festival, to Worden Academy for hosting, and to the amazing young leaders who ran the activities so well.

School Meals

Our school meal menu is available via the App or on our website [here](#):

The menu for the upcoming weeks is as follows:

W/C 28th Sept—Week 3
W/C 5th Oct—Week 1
W/C 12th Oct—Week 2

Farington Football Update - KS2 Mixed League

What a difference a week makes!

Two weeks into the South Ribble School Games KS2 Mixed Football League and we could not be prouder of our Farington Team. Last week was a tough start with losses in our matches, but the children showed real resilience, teamwork and determination.

Last night they came back stronger and owned every pitch they played on - Wow! The progression from the whole team was amazing and extremely exciting to watch. We came away with two wins and one draw. Their passing, defending, encouragement for each other and sheer hard work was fantastic to see. Every single player has improved so much already, we couldn't ask for more.

Thank you to South Ribble Games for organising the League and to all the schools, young leaders and parents for your support.

Good Luck to our team for their matches next week - Keep it up, Farington! Aim High, Believe, Achieve - TOGETHER!
