

Counting in Steps of 50 Activity Sheet

Counting in steps of 5 can help when you begin to count in steps of 50.

On the top row of the table, count in steps of 5.

On the bottom row are numbers written in steps of 50.

Look at the pattern. What do you notice?

5											
50	100	150	200	250	300	350	400	450	500	550	600

1) Fill in the missing numbers.

50	100		200			350			500		
----	-----	--	-----	--	--	-----	--	--	-----	--	--

2) Count on in steps of 50 from 350.

350											
-----	--	--	--	--	--	--	--	--	--	--	--

3) Count on in steps of 50 from 600.

600											
-----	--	--	--	--	--	--	--	--	--	--	--

4) Fill in the missing numbers.

600	550			400			250				
-----	-----	--	--	-----	--	--	-----	--	--	--	--

5) Count down in steps of 50 from 550.

550											
-----	--	--	--	--	--	--	--	--	--	--	--

6) Which two number cards are positioned incorrectly?

600	650	800	750	700	850	900
-----	-----	-----	-----	-----	-----	-----
