I asked A.I.
to do my test

In my class,
my score was
best

Next, I asked
it for a
story

Make it good
and make it
gory

The results
were kind of
terrifying

My teacher
found it
petrifying

Then I got
mad and I got
greedy

'Cos A.I. is
just so
speedy!

A.I. Ate my Friend

One day, I
made a big
mistake

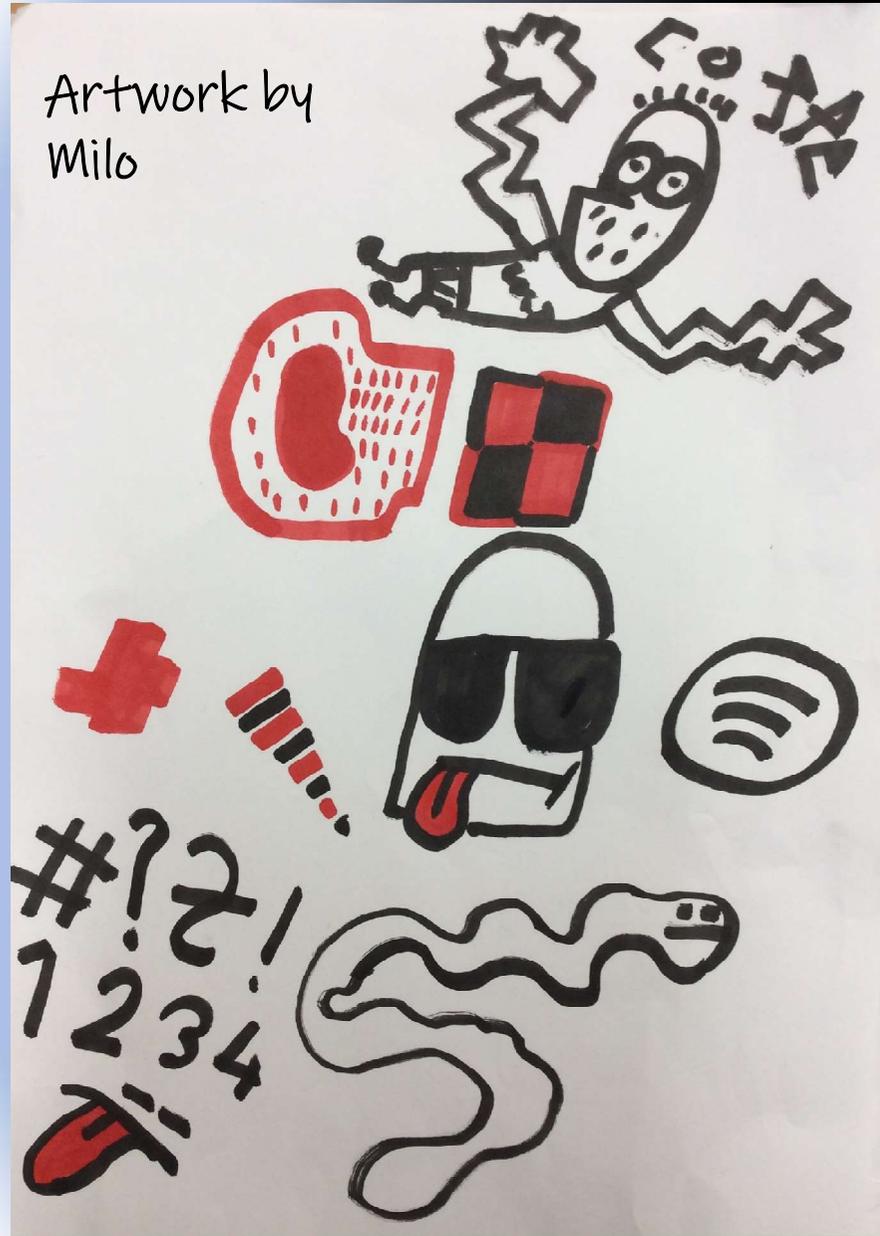

(My friend
and I had
fallen out at
break)

And 'cos they
drove me
round the
bend

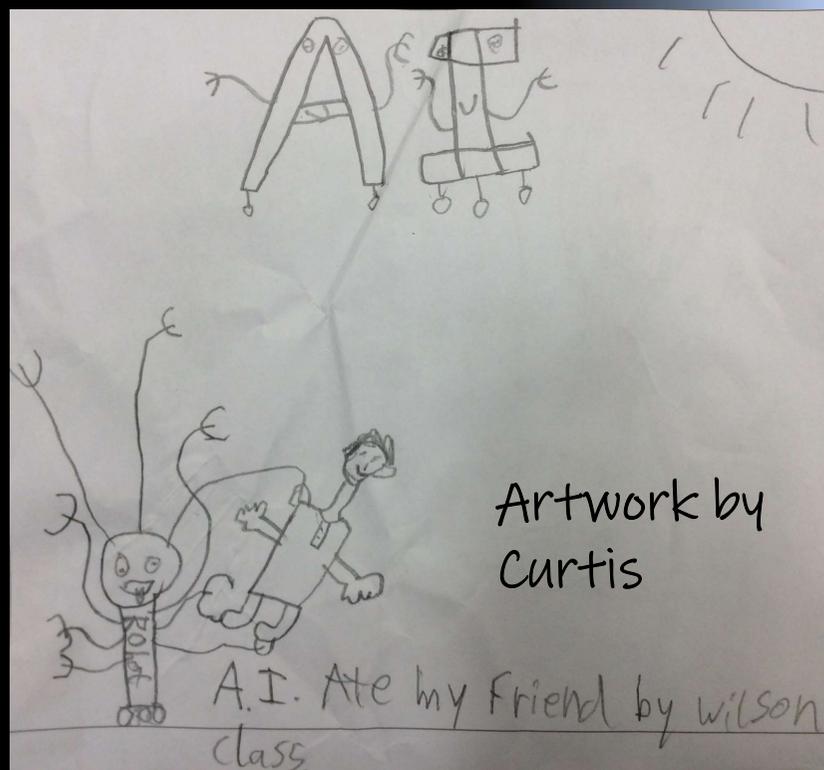

A.I. just
went and ate
my friend!
