

Autumn

Year 5 & 6

Dear Parents and carers,

Welcome back for the Autumn Term; here is an idea of what we will be learning in Year 5 and 6 in our new topic: '**Does the world ever change?**'

What will we be learning?

We have lots of fun learning coming up this half-term:

Maths:

- $2+3=5$
- place value
- four operations

Science: We will be focusing on learning the life cycles of mammals, insects, birds and amphibians. Along with learning the reproductive parts of a plant.

English: We will be focusing on grammar for the first few weeks, looking at how to build sentences and develop paragraphs.

History: We will explore 'what does a census tell us?' where we will investigate what a historian can learn from primary sources.

RE: We will explore how beliefs and ideas about land shape the way human beings live.

Art: We are looking at artists and movements, observational drawing and will be working towards creating a final piece inspired by the works of Alexis Rockman.

PE: We will be practising our athletic skills and working on our understanding of fitness. Year 5/6 T have PE on Thursday and Friday. Year 5/6P have PE on Wednesday and Friday. Year 5/6WP have PE on Wednesday and Thursday.

Computing: We will be looking at how identity online can be copied, modified or altered and how to make responsible choices online based on their online identity.

Music: Year 5/6WP are going to be learning how to play the trumpet this half term. While 5/6 T & P will be learning new songs and how to find the pulse of the music.
