

Year 3/4 Homework Web – Autumn 1

Here are some activities for you to complete at home all about volcanoes and the human impact on the environment. You could choose one to complete each week and hand in. You must complete at **least 5** by half term – Thursday 23rd October.

Research about a recent volcanic eruption. Create a fact file about it.	Design a poster to encourage people to stop using single use plastics. What could they use instead?	Write an acrostic poem using the word VOLCANO or ERUPTION.
Create an information poster about an artist we will look at. Choose from: Vincent Van Gogh, or Emily Carr		Create a fact file about a famous volcano from around the world. E.G - Mount Fiji - Mount Vesuvius
Design a recycling sorting machine. Make sure to add labels.	Create a world search linked to our science or volcano topic using key vocabulary.	Go on a walk 4 times over a week. Count how many pieces of rubbish do you come across. Keep a tally and create a chart.
