

Autumn 2

Year 5 & 6

Dear Parents and carers,

Welcome back for the Autumn Term; here is an idea of what we will be learning in Year 5 and 6 in our new topic: '**Does the world ever change?**'

What will we be learning?

We have lots of fun learning coming up this half-term:

Maths:

- Fractions
- Multiplying (formal method)

Science: We will be focusing on learning about the circulatory system.

English: We will first be focusing on the classic poem 'The Listeners' by Walter De La Mare, before moving on to the graphic novel 'When the stars are scattered' by Omar Mohammad and Victoria Jamieson.

Geography: We will explore the question 'Why does population change?', where we will investigate what the different geographical reasons are that can influence the population.

RE: We will explore the question: 'Creation and science: conflicting or complementary?'

DT: We are going to be designing, making and evaluating a pop up book, that will showcase learning from last half terms science. We will be sharing these with KS1.

PE: We will be practising our orienteering skills and developing our skills in football. Year 5/6 T have PE on Thursday and Friday. Year 5/6P have PE on Wednesday and Friday. Year 5/6WP have PE on Wednesday and Thursday.

Computing: We will be looking at computing systems and networks, as well as coding.

Music: Year 5/6WP are going to be continuing learning how to play the trumpet this half term. While 5/6 T & P will be continuing learning new songs and how to find the pulse of the music.
