Art/DT

Recycled art/fashion
Greek Architecture

PE

Gymnastics, Dance, ball skills and Athletics

Music

Glockenspiels

French

Language Angels: My home and The Weather

PSHE

Keeping myself safe
Rights and responsibilities

How you can help your child:

- Please encourage all homework to be completed.
- Encourage them to read daily. The expectation is that all children read 5 times a week for a least 10 minutes each time.
- Encourage use of SATs revision websites (e.g. Mathsbot arithmetic/reasoning and Rollama)

Reading Records

Please send your child in with their reading record and reading book every day.

PE kit

Please send your child in wearing their PE kit on Tuesdays.

Any issues or problems do not hesitate to contact your child's class teacher via Class Dojo or through the school office.

Knowledge Organisers

Knowledge organisers are a tool which summarise key facts and essential knowledge that we teach in school, linked to the National Curriculum. Every time your child starts a new unit of work, this will be associated with a knowledge organiser. This is essentially a "fact sheet" for the topic.

You can support your child by discussing the information on the knowledge organisers with your son or daughter and quizzing them on what they know.
