

THURSDAY 17TH SEPTEMBER 2026

A white rectangular box containing the text "Year 5" in a playful, rounded font. The word "Year" is split into four colors: blue for 'Y', yellow for 'e', pink for 'a', and green for 'r'. The number '5' is red. The text has a slight 3D effect with a dark outline.

Year 5

Class teacher - Mr Wilkinson

**TA - Mrs Farhan will be
working in class as TA**

Other help - Mrs Scorer

Year 5 Curriculum

- English: High-quality texts, complex grammar, expanded writing formats.
- Maths: Four rules, fractions, decimals, percentages, and multi-step problem-solving.
- Science: Earth and space, forces, properties of materials.

How to find out what we are learning

Our learning for each half term will be on the school website.

- <https://www.st-ambrose.stockport.sch.uk/page/year-5/166226>

R.E.

R.E. lessons are 2 and $\frac{1}{2}$ hours per week in addition to our Gospel assembly and Celebration of the Word.

P.E.

- This half term, the children will be developing their gymnastics skills.
- For all physical activities, children must be suitably dressed to ensure their safety at all times. For example when using climbing equipment, hazards can arise from unfastened coats, woolen gloves, scarves, etc
- Jewellery, i.e. watches, earrings, etc should not be worn whilst participating in PE lessons. (Children need to remove earrings themselves)
- Appropriate footwear must be worn. Hazards arise from slippery soles, untied laces, etc
- Children will need their PE kits in school as we may have additional PE sessions.
- PE kit - Black shorts, white T-shirt and pumps or trainers depending on the type of PE they will be participating in

We want our children to be smart in their uniform and to wear it with pride. This means we need your support as parents and carers in ensuring that the children come to school dressed correctly. All clothing and footwear should be clearly marked with your child's name to enable lost items to be returned. Pupils may not wear any jewellery except for one small watch only (no 'smart' watches).

- Blue jumper or cardigan
- White polo shirt
- Grey school shorts/trousers/skirt/pinafore
- Black school shoes
- Grey, black or white socks
- Blue gingham dress (optional in summer)

Love

"Love one another
as I have loved you."
(John 13:34)

- We follow Jesus' example by loving our neighbours.
- We treat people how we would like to be treated.
- We show kindness to others.
- We put others before ourselves.

Respect

"Do to others what you
would have them do to
you."
(Matthew 7:12)

- We respect ourselves by being the best that we can be.
- We treat people how we would like to be treated.
- We show good manners and speak politely to each other.
- We respect and look after our own and other people's belongings.

Forgiveness

"Forgive and you will be
forgiven." *(Luke 6:37)*

- We take responsibility for our actions.
- We can forgive others and accept forgiveness from others.
- We can change after we have made a poor choice.
- We have the courage to give ourselves and others a new start.

Courage

"With God all things are
possible." *(Mark 10:27)*

- We ask for help when we need it.
- We learn by making mistakes.
- We make the right choices.
- We persevere and try things, even if we think we can't do it.

We love the internet. Children can play, learn, create and connect with people from all over the world – opening up a plethora of exciting possibilities. But with the digital world changing all the time, we need to make sure that we keep our children safe. Online safety is an integral part of children's education in today's digital world and is embedded in their learning at school. In school, we have robust systems in place for monitoring and filtering.

- They are taught the importance of reporting anything that doesn't feel right.
- They do not use devices unsupervised at school.

Have conversations with your child at home.

1. What parental controls do you use?
2. It's important to remember that the legal age to have an account on most social media - Instagram, Facebook, TikTok & Snapchat - is 13 years old.

Recommend you have a read on the NSPCC website about their keeping children safe online.
