Art is all around us, and this term, we have been having great fun while learning amazing skills through our new art curriculum! In nursery, the children have been exploring mark making and painting, following their interests and creativity. Reception has enjoyed learning about Kandinsky's circles, bringing colour and shapes to life. Year 1 students have been busy exploring repeated printing using various objects and are even planning on crafting their own Christmas wrapping paper. Our Year 2s are diving into the world of sculpture, working with clay to create their masterpieces. Meanwhile, Years 3 and 4 are making animal sculptures from different materials, showcasing their imaginative designs.

Our Year 5 and 6 students have been investigating textured art, discovering how weaving, printing, and layering can enhance their work. It's wonderful to see the children so enthused about their art curriculum and how well their skills are developing!

Well done to all the children and staff who have managed to come into school despite coughs, colds, and minor illnesses. We understand that this time of year can be particularly challenging with so many illnesses circulating. Your efforts are truly appreciated.

As we continue to prioritise the health of our school community, we kindly ask that you ensure your child is fit for school and well enough to return before sending them back. To support everyone's wellbeing, we are encouraging extra handwashing and have hand sanitiser readily available. Children are reminded to use this regularly throughout the day.

Thank you for your understanding and support.

Breakfast with Santa is going to be held on 11th and 12th December. Please keep an eye out for the School Spider alert for this
