We are thrilled to share that this year, we have made a significant change in our language curriculum! Our students are now learning to speak, listen to, read, and write in Spanish. This decision was made to better prepare our children for their transition to high school, as most of the secondary schools we feed into offer Spanish from Year 7.

It has been wonderful to witness how enthusiastically the children have embraced this new language. From Year 1 to Year 6, they are picking up various aspects of Spanish with remarkable speed and enjoying their interactive lessons. The joy and excitement in their learning are truly inspiring! We look forward to seeing our students continue to flourish in their language skills and appreciate your support in this exciting journey.

What a fun week of learning we've had at school! Our talented children have been showcasing their amazing art skills, creating beautiful pieces that truly reflect their creativity. In science, they have been busy with exciting investigations, sparking their curiosity and love for discovery.

We've also enjoyed local walks, which have been a fantastic way for our reception children to learn about geography and their surroundings. It's heartwarming to witness the varied learning opportunities across our classes, all supported by our fun and engaging curriculum. We are so proud of our students and their enthusiasm for learning!

Cheshire Young Carers have been delivering workshops to our Y5 children this afternoon and will be doing so weekly for 5 weeks - we are very lucky to have this opportunity.
