NOTE: IF LATE PLEASE REGISTER YOUR CHILD AT THE OFFICE, WHERE YOU WILL BE ASKED TO  
THEN WALK YOUR CHILD OUT TO THEIR CLASSROOM DOOR

We are so incredibly lucky to have Little Voices providing our children from Year 1 to Year 6 with their exceptional music curriculum. These fabulous specialists truly help to develop the children's knowledge and skills in music, making learning both enjoyable and enriching.

In Nursery and Reception, the children are surrounded by music all the time, fostering a love for sound and rhythm from an early age. As we move into Year 1 and 2, the focus shifts to untuned percussion instruments this term, allowing our young musicians to explore different sounds and beats.

In Years 3 and 4, students will delve into the musical stave, learning how to write music and understand its structure. Meanwhile, our Year 5 and 6 pupils will be concentrating on music composition, giving them the exciting opportunity to create their own pieces. We can't wait to see their creativity flourish!

Despite the wet and windy weather we've endured this week, the children have kept warm and busy with their learning! In Year 5/6, students have been developing their art techniques using paint, while our Reception class has been investigating wheels and axles. The exploration of the Romans has sparked curiosity, and the excitement of dodgeball has kept everyone active and engaged.

It's been a week filled with diverse learning opportunities, and we are so proud of our students' enthusiasm and creativity. To stay in touch with all the current learning and activities, don't forget to check out our Facebook page!

Please make sure children are wearing their school PE tops for PE. Remember in the wet and cold weather to encourage the children to wear tracksuit bottoms/leggings to keep warm rather than shorts.

Wear numbers next Friday 6<sup>th</sup> February to celebrate number day in school.
