Dear Parent / Carer / Guardian

I hope you have all had a wonderful week.

### **Marvellous Maple Moments**

- Thank you to Miss. Machin and Miss. Carte who have stepped in to support the students who go boxing.
- Miss. Norbury had done an excellent job this week supporting a variety of students.
- We have seen some excellent examples of Chicken Wings from our students this week in cooking.
- Willow have been learning about Under the Sea and did some fantastic work in science around this topic.
- William in Bay has been doing some great work on categorising different animals into species, linked to the under the sea work.
- Ash and Pine have been engaged in excellent debate work.
- We have welcomed Cian into school this week, he has had an excellent start to his week at The Maple School.
- Cedar have been working on consent in PSHE this week. They approached this very maturely.
- Pine have been working on acids and alkalis in practical experiments this week.
- Dalton in Oak has been working on college applications – he has approached the conversations maturely.

### **Lockdown Drill**

We are required to carry out a lockdown drill once a year with students. We did this today in school and the students and staff were amazing. They were phenomenal and did everything they were asked to do in such a calm manner. Well done to everyone.

### **School Lunch Increases**

We have been informed that student lunches are increasing on 1<sup>st</sup> April. Parents who pay for lunches will be informed of the costs by email.

Thank you so much for your continued support.

Have a great weekend

Mr. S. Cooke  
Head of School
