Dear Parent / Carer / Guardian

This week has been full of fantastic achievements, teamwork and resilience across the school. We are so pleased to share some of these below.

Marvellous Maple Moments

Celebrating Effort & Achievement

- Joshua and Antonyia impressed with their *formal email writing*, using key features and sophisticated language.
- Cian and Cameron showed great commitment across multiple writing tasks, including clearly organised ideas with bullet points.
- J'Kwon demonstrated outstanding dedication by completing additional maths work.
- Tobias contributed thoughtfully during Music lessons.

Creativity & Curiosity

- Olivia and Oliver produced imaginative robot designs and detailed comprehension work based on *The Wild Robot*.
- Nathan showed excellent coordination in Kwik Cricket, while Oliver also made strong progress in Maths.

Academic Success & Resilience

- Kenny, Bella, and Dalton excelled in Maths and English, tackling challenging topics with confidence.
- Miles achieved the fantastic milestone of reading a full book this week and contributed insightful discussion.
- A huge congratulations to Tyler for completing *another Maths GCSE*—a brilliant achievement showing determination and resilience!
- Leon demonstrated perseverance in preparing for his speaking and listening exam.

Kindness, Creativity & Growth

- Bailey has been an exceptional friend, showing kindness and positivity to others.
- Mia has had a wonderful first full week, settling in happily and building great friendships.

- Darin continues to impress with his creativity and increasingly complex models.
- Thomas showed resilience when tackling tricky Maths challenges.

Independence & Support

- Jase and Thaddeus are growing in independence, confidently using their words when they need help.
- Mason has produced amazing artwork and shown kindness by supporting classmates.
- Xenon impressed with creative enrichment work, while Corey demonstrated resilience in Maths.

Aiming High in Bay

- Lacey stood out for her fantastic attitude to learning, particularly in phonics and writing.
- Sky showed pride and determination when editing her work.
- William embraced challenge in Maths, showing our value of *Aiming High*.

Positive Choices

- Well done to Bella in Re-engage for excellent behaviour and strong effort in both PSHE and Maths.

Year 11 Leavers

Our Year 11 students are coming to the end of their time at The Maple School. They will finish with us at the end of the day on Friday 26th June 2026. We will hold a special celebration on this day. From next week Y11 students will come in to take exams and will then be allowed to leave to go home. If any parents of children in Oak class do not wish this to be the case for their child, please let us know.

Diary Dates

A reminder that Sports Day will take place on 1st July and our Summer Fair will take place on the 21st July.

Have a great weekend

Mr. S. Cooke

Head of School
