Dear Parent / Carer / Guardian

What a glorious week of weather we have had this week. Your children have been amazing; they have coped incredibly well in very hot temperatures in school. We do apologise if they have come home full of sugar from the ice lollies we have been feeding them to keep them cool!

Sports Day

We have reviewed the forecast for next week and we appear to have picked the only day of the week where the weather forecast is awful. We have therefore changed the date of Sports Day to 3rd July 2026.

New Classes

We will be sharing details of the classes your children will be in next year with you next week. We will also share details of the teacher and teaching assistant who will support them. During the week of 6th July, all children will move to their September classes for the morning activities. We will also welcome our new Y5, 6 and 7 students during this week.

Uniform for September

A reminder that if you need to order uniform for September you should do this now so that we can ensure that we have the necessary stock in place.

Diary Dates

A reminder that our Summer Fair will take place on the 21st July.

And Finally....

We said Goodbye and Good Luck to our Y11 students this morning, we celebrated with special awards in our assembly and then a whole school breakfast prepared by Ash (ably supported by Mr. Rund and Miss. Threlfall). It is always hard saying goodbye to children, and we hope that they have had a brilliant time with us at The Maple School. They leave us to go onto bright and exciting futures, and we wish them well in whatever they choose to do.

Have a great weekend
