Exciting News

The new Maple Reward Shop is coming soon, with many pupil suggestions helping to shape what will be available. Students will be able to use their day sheet points to buy things in the shop or to save them for bigger and better options.

Sports Day

Thank you so much for attending sports day today. Unfortunately, I was involved in interviews and couldn't join in, which is a shame as I am sure I would have won! Thank you for supporting us and to all the children for their participation.

Transition Week

Next week is transition week for all children. We welcome our new starters for September alongside our existing students moving to new classes. Students will be nervous about this and we understand this. If there are any issues shared with you at home, please let us know so we can make sure we do something to help.

Diary Dates

A reminder that our Summer Fair will take place on the 21st July.

Have a great weekend
