Eco heroes of the future week

We are very excited to announce a fun week we have in store, after half term!

Linked to our Geography curriculum, we will be focusing on jobs that help the environment as well as what we can do to be an 'eco-hero'. The children will have a chance to think about how they can grow up to solve environmental problems. **Each day** there will be an eco-career to find out about. Visitors and workshops are planned for during the week, to enhance our learning.

We will also have a competition to complete at home. Children will be invited to draw/write about themselves in a future 'eco-career' role.

We will share some ideas/inspiration after half term for the competition.

Teacher consultations for parents/carers

Thank you to those who booked consultation meetings with our teachers this week. If for any reason you did not manage to book a timeslot with your child's teacher, please contact the school to arrange a catch up after half term.

Harvest 2026

The 'Open Door' charity came and collected all the contributions from the school earlier this week.

As ever, they were very grateful for the collection we organised and we continue to value our involvement with this very worthwhile charity.

Dates and information about the school

02.11.26 School opens
02.11.26 Start of Eco heroes of the future week!
