

South Grove Primary School
Half -Termly Homework Project.

Class: 1S

Due: 17th October 2025

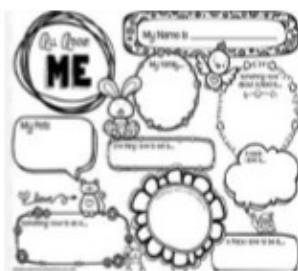

Dear Parents and Carers,

Please support your child in completing the project below.

The children will be rewarded for completed projects. If you have any questions, please ask your child's class teacher.

We can not wait to see some amazing home learning!

All About me! This term, as we all get to know each other, I thought it would be good for this half term's homework project to be about the children. They can draw a picture of themselves, create a poster, create a model or make a timeline of their life so far. Creating a timeline, will support the learning that we will be doing in History, as we will be looking at timelines and identifying similarities and differences between ways of life in different periods. I hope you enjoy completing this project with your child and I look forward to seeing them and getting to them better.
