

South Grove Primary School
Half -Termly Homework Project.

Class: RB Due: 03.02.26

Dear Parents and Carers,

Please support your child in completing the project below.

The children will be rewarded for completed projects. If you have any questions, please ask your child's class teacher.

We can not wait to see some amazing home learning!

This term we will be learning about transports and some landmarks in London. As our home learning project, we would like the children to learn about various modes of transport, visit the transport museum or make a model transport using various materials.

If you visit the transport museum, please take lots of photos and videos and share these with us on Tapestry, email or via print .

Below are some ideas of what you can do with your child. At the end of the term, we will be celebrating our home learning and showcase our projects.

Have fun!
