

South Grove Primary School
Half-Termlly Homework Project.

Class: 1S

Due: 06.02.2026

Dear Parents and Carers,

Please support your child in completing the project below.

If you have any questions, please ask your child's class teacher.

We can not wait to see some amazing home learning!

In History we have been learning all about the Two Queens named Queen Elizabeth I and Queen Elizabeth II. We have learnt lots of interesting facts about our two Queens, as well as lots of exciting key language. Miss Stockman has come across a new word which she has never heard before 'diadem'.

I would like for you to research the word and write down what it means, as well as create your very own diadem. Please use your amazing imaginations to help you to create your very own diadem. You can use a variety of media and materials to help you. I am so excited to find out what a diadem is, as well as see your amazing creations.
