

South Grove Primary School
Half -Termly Homework Project.

Class: 3R

Due: 13.2.26

Dear Parents and Carers,

Please support your child in completing the project below.

If you have any questions, please ask your child's class teacher.

We can not wait to see some amazing home learning!

Geography Project:

In Geography we are learning about settlements. I would like you to create either a 3D hamlet, village, town or city. You could also create your own farmstead.

Take some inspiration from the pictures below.
