

South Grove Primary School
Half -Termly Homework Project.

Class: 5T

Due: Friday 13th February 2025

Dear Parents and Carers,

Please support your child in completing the project below.

The children will be rewarded for completed projects. If you have any questions, please ask your child's class teacher.

We can not wait to see some amazing home learning!

This term in Geography, 5T are exploring **Migration** - why do people migrate? How does migration affect places and communities? Does living in a certain place change who you are?

Task: I want you to interview someone you know about *their* migration story. Think carefully about what you will ask to gather information. Present this story as an informative poster, a map, conversation transcript or a piece of art which represents your interviewee's journey.

I look forward to learning about your interesting subjects!
