Frogspell

by C.J. Busby

Miss Bird and Kingfishers are enjoying reading Frogspell.

Max Pendragon is probably the worst squire in King Arthur's kingdom – he'd much rather train to be a wizard instead. So, when he accidentally invents a spell that turns people into frogs, it seems his wish might come true.

But events take an unexpected turn when Max enters the Novices' Spell-Making Competition and finds himself helping Merlin fight an evil sorceress. There's no way Max's unpredictable frogspell could be of any use.

Or is there...?

Courage, Wisdom, Love, Respect, Faith and Compassion.
